MEDIA GUIDELINES

All media who wish to cover FSU athletics will be expected to comply with all the procedures of the University, ACC and FSU Public Relations Office in order to be credentialed. Procedures will be provided in detail at the start of the 2025-26 athletic year and are subject to change at any time.

INTERVIEWS

Media interviews with all FSU players and coaches MUST be **arranged through the Public Relations Office.** Email Derek Satterfield (dsatterfield@fsu.edu) to arrange interviews with head coach Mike Norvell, assistant coaches, staff and all student-athletes. Please give as much advance notice as possible when requesting interviews.

Players will be available at designated times during the season.

Players' phone numbers will not be given to the media and players should not be called directly or contacted through social media to arrange interviews or ask questions.

HEAD COACH MIKE NORVELL

FSU head coach Mike Norvell will hold his weekly press conference on Mondays during the season. Contact the Public Relations Office or refer to the weekly release for exact times for the press conferences, which will begin during the week of the first game and run throughout the season, as well as additional media opportunities during game weeks.

All interview requests for Coach Norvell are coordinated through the FSU Public Relations Office by emailing Derek Satterfield (dsatterfield@fsu.edu).

VIDEO SERVICES

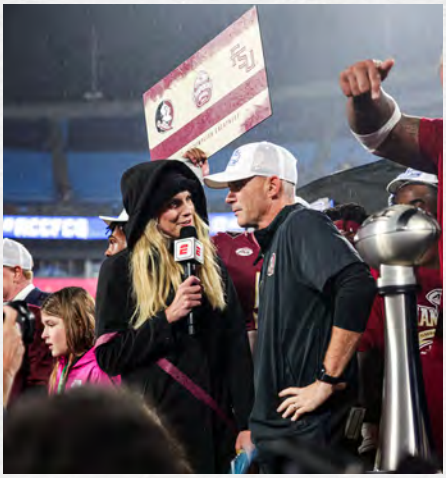
Florida State's Public Relations Office has the ability to assist networks and television stations by providing video services through Seminole Productions, Inc. (SPI). Please call Kirby Kander at (850) 644-8036 to arrange for these services. For more information on Seminole Productions, visit sempro.cci.fsu.edu.

XOS DIGITAL EXCHANGE

The Florida State Public Relations Office has partnered with XOS Digital in order to provide over-the-air television stations with instantaneous access to video content. The partnership involves the use of the company's Digital Media Xchange Server that will allow television stations to pull down video content year-round. The data transfer speed is much faster than a traditional FTP service allowing very large files to be downloaded in just minutes.

The password-protected video FTP site will be hosting Monday press conferences with head coach Mike Norvell as well as post-practice availabilities throughout the week.

If you have an interest in creating an account that gives you access to the video weekly, please email Derek Satterfield (dsatterfield@fsu.edu). If you are looking for access for a particular game week, please email prior to that game to set up a guest account.



SOCIAL MEDIA

Florida State Public Relations is making a continued effort in 2025-26 to utilize social media outlets as another way of passing information to our fans and those who cover our programs. FSU Football's X account @FSUFootball and Instagram feed @FSUfootball provide updated information and behind-the-scenes news as does the Noles' Facebook page - facebook.com/FSUFootball.

CREDENTIAL REQUESTS

All requests for working press, radio, television, photography or scouting credentials should be directed to our online credentialing site located on the Media Center link on the Seminoles.com football page no later than the Wednesday before the game. PHOTOS WILL BE REQUIRED AND MUST BE UPLOADED AT THE TIME YOU REQUEST CREDENTIALS. PHOTO MUST BE IN COLOR AND **PROVIDE A CLEAR VIEW OF YOUR FACE.** Requests for the home opener should be made at least two weeks prior to the first game. Space for the working press, radio and television is allocated by the FSU Public Relations Office. Any credential questions can be answered by Public Relations Director Christa Salerno (csalerno@fsu.edu).

INTERNET ACCESS

Internet access is available in the ninth level press box and any additional media work space. Access will be granted through the FSUMedia network. The password will be available on all seat cards and will also be posted throughout the press box. All game day materials, including game notes, media guides and stats, will be made available through Seminoles.com.

RADIO-TV

Florida State will host both home and visiting radio in booths in the press box. The live television broadcast will be working from a mid-field booth on the ninth level. Both home and visiting radio will broadcast from booths at the south end of the ninth level.

UNCONQUERED MEDIA

Unconquered Media is responsible for presenting the Seminoles online. Offices are located on the second floor of the Moore Athletics Center.

The department manages content for FSU's Seminoles Unconquered app, the Seminoles' YouTube page and video content on Seminoles.com.

SEMINOLES.COM ALSO PROVIDES:

FSU
FLORIDA STATE
COACHES

MIKE NORVELL
HEAD COACH

Experience: 6th Season at FSU | 10th Season as head coach | 20th Season as collegiate coach
Hometown: Irving, Texas | Alma Mater: Central Arkansas, 2005; Central Arkansas, 2007
Family: wife, Maria; daughter, Mila

Mike Norvell, who was named Florida State's head football coach on Dec. 8, 2019, and led the Seminoles to an undefeated regular season and the program's 16th ACC championship in 2023, enters his sixth season overseeing the FSU program in 2025.

The 2024 team produced two first-team All-Americans, including the program's first Consensus All-American since 2016, and an FWAA Freshman All-American, also FSU's first since 2016. In his career, Norvell has coached 35 NFL Draft picks, 22 All-Americans, including 14 first-team selections, five conference Players of the Year, one ACC Defensive Rookie of the Year and 114 all-conference recognitions.

Norvell earned the Dodd Trophy and Bryant Award in 2023, becoming the eighth coach and second since 2003 to win both national Coach of the Year recognitions in the same season. He also was named ACC Coach of the Year, joining the legendary Bobby Bowden as the only FSU coaches to earn the conference's top coaching honor, and the AFCA Region 1 Coach of the Year while also being named one of five finalists for the George Munger Coach of the Year Award presented by the Maxwell Football Club and one of 12 finalists for the Eddie Robinson Coach of the Year Award.

Florida State rolled through an unbeaten, 13-0 regular season that included wins over eight P5 bowl-eligible teams, including No. 14 Louisville in the ACC Championship Game, and was No. 4 in the final Associated Press poll of the regular season. It was the third 13-win season in program history, and Norvell became only the sixth different ACC coach since 2000 to lead his team to an undefeated record in conference play. His ACC Championship Game appearance marked his fourth conference championship game, which ranks fourth among head coaches active in 2025, and he also is one of only eight head coaches ever to make three conference championship game appearances in their first four years.

FSU showcased dominance in all three phases, as it was the only team in the nation that produced a stretch in which it outscored its opponent by at least 17 points in every regular-season game, with eight of those games featuring a scoring run of plus-24 or better.

The 2023 Seminoles produced a program-record 25 selections to the All-ACC team, led by ACC Player of the Year and first-team all-conference quarterback Jordan Travis. FSU's eight first-team selections were the most in the conference, and Florida State also led the ACC in second-team and third-team honorees. Keon Coleman became the first FSU player to earn three first-team all-conference honors in one season after being named first-team All-ACC at wide receiver, all-purpose player and return specialist.

Travis flourished in his final year under Norvell's guidance, developing into one of the best players in the nation and finishing fifth in the Heisman Trophy voting despite being injured in the first quarter of FSU's 11th game of the season. In only 10 full games, Travis passed for 2,756 yards and 20 touchdowns and added another 176 yards and seven touchdowns rushing for 2,932 yards of total offense and 27 total touchdowns. He completed his Florida State career holding program records for career touchdown responsibility, total offense yards, quarterback rushing yards and quarterback rushing touchdowns while also placing himself in the top-five in passing touchdowns, passing yards, wins as a starting quarterback, completions, completion percentage and rushing touchdowns.

Florida State's 2023 campaign showcased playmakers in all three phases. The Seminoles led the nation in opponent completion percentage, pass breakups and passes defended while ranking second nationally in fewest interceptions thrown, third in net punting, sixth in passing efficiency defense, sacks and third-down defense and seventh in kickoff return average. FSU led the ACC in scoring offense for the second straight year while also leading the conference in yards per completion, sacks per game, kickoff return average, fewest interceptions thrown and fewest total turnovers.

Thirty-one of Norvell's pupils have been selected in the last eight NFL Drafts, led by first-round picks Jared Verse in 2024 and Jermaine Johnson II in 2022. Norvell has coached multiple picks in seven of the last eight years. In addition to Johnson and Verse, Norvell also guided second-round picks Keon Coleman, Braden Fiske, Renardo Green, Anthony Miller and Asante Samuel, Jr., as well as third-round selections Trey Benson, Jarrian Jones, Azareye'h Thomas, Darrell Henderson, Antonio Gibson and Dylan Parham.

Norvell's offenses are averaging 34.7 points per game during his nine years as a head coach, which ranks as the fourth-highest average in the country among head coaches active each year from 2016-25. Norvell is one of only three head coaches to produce a top-7 rushing offense and top-7 passing offense since 2016. His offense has showcased 60 individual 100-yard rushing games, 43 individual 100-yard receiving games and 26 individual 300-yard passing games. In addition to his high-powered offenses, Norvell's teams have also scored 15 defensive touchdowns and 17 touchdowns on special teams.

Norvell has developed an impressive coaching tree in his first eight seasons as head coach. For the 2025 season, 54 current Division I coaches, including four head coaches and nine coordinators, have served on a Norvell staff. He has hired coaches who are now on staffs at Arizona State, Oregon, Buffalo, Memphis, Arkansas, Auburn, LSU, Miami, Michigan, Missouri, Nebraska, Ohio State, Oklahoma State, SMU and USC, among others.

Statistically, the 2022 team was among the nation's best in multiple categories in all three phases. FSU was the only team to lead its conference in both total offense and total defense in 2022. Florida State was one of two teams nationally to average at least 270 passing yards and at least 210 rushing yards per game. The Seminoles, along with Alabama and Georgia, were the only three teams to rank in the top-15 in yards per play on offense and defense. Those three teams were also the only ones ranked in the top-20 in total defense, scoring defense, total offense and scoring offense.

Florida State led the country with an average of 7.46 plays of at least 20 yards per game and ranked second nationally with an explosive play differential of +7.41. The defense was fourth in the country in passing defense, and FSU was one of six teams nationally to rank in the top-25 in kickoff return and punt return average. Florida State led the ACC in passing defense, third-down offense, yards gained per pass, yards gained per play, yards gained per rush, total offense per game, yards per completion, yards allowed per pass, rushing offense per game, yards allowed per play, total defense per game and scoring offense per game.

The Seminoles were led by Jordan Travis, who was PFF's highest-graded quarterback and the highest-graded offensive player in the ACC. Travis continued to showcase his development under Norvell, ranking first in the ACC in yards per play, yards per pass attempt, yards per completion and pass efficiency rating. He had a school-record six straight games accounting for at least three touchdowns and became the first player in program history with at least 20 passing touchdowns and seven rushing touchdowns in one season. The redshirt junior saved his best performance for last, accounting for an FSU bowl-record 468 yards of total offense in the Cheez-It Bowl victory over Oklahoma that included a career-high 418 passing yards and 50 rushing yards, making him only the fifth player nationally with at least 400 passing yards and 50 rushing yards in a bowl game since 2000.

The defense was led by first-team All-Americans Jared Verse and Jammie Robinson. Verse was the ACC's Newcomer of the Year after he dominated in his first season at Florida State following a transfer from Albany, leading the conference with an average of 0.75 sacks per game and ranking second in the ACC and 10th nationally with an average of 1.4 tackles for loss per game. Robinson, FSU's first back-to-back first-team All-ACC defender since Jalen Ramsey in 2014-15, was the Seminoles' leading tackler for the second straight season. He registered 99 stops, including a game-high 13 in the Cheez-It Bowl victory, and recorded 5.0 tackles for loss, 1.0 sack, five pass breakups, one interception and one fumble recovery.

Offensive lineman Dillan Gibbons became the first FSU player to win the prestigious Wuerffel Trophy, given to the FBS player who best combines exemplary community service with leadership achievement on and off the field. Along with the Wuerffel, Gibbons, who started all 13 games at left guard, was voted captain of the Good Works Team, named the winner of the ACC's Jim Tatum Award given to the league's top football senior scholar-athlete and was selected as a first-team All-ACC performer.

The 2021 season was highlighted by first-team All-American and ACC Defensive Player of the Year Jermaine Johnson II, who elevated his game into a first-round NFL Draft pick in his one season at Florida State. Johnson, the only athlete to win a Player of the Year award in his first season with an ACC program, and first-team All-ACC defensive back Jammie Robinson led FSU's contingent of eight all-conference recognitions for the program's most All-ACC honorees since 2016.

Florida State ended the 2021 season converting 32 consecutive red zone trips, the longest active streak in America and the second-longest streak at any point in 2021, scoring an average of 6.1 points per red zone trip during the streak. The Seminoles also grabbed at least one interception in each of the last eight games of 2021, tied for the longest streak in the country that year.

Florida State ranked second in the ACC and seventh nationally in red zone defense, allowing points on only 70.6 percent of red zone drives. The Seminoles also ranked third in the ACC with 20 total takeaways and 7.2 tackles for loss per game, while their 14 interceptions were fourth overall in the conference. The tackles-for-loss average ranked 12th nationally and was FSU's highest for a season since 2016.

In his first season at Florida State, Norvell led the youngest team in the nation as freshmen and sophomores made up 75 percent of FSU's roster and 34 players made their first appearance for the Seminoles. While navigating through a global pandemic that ended spring practice after only three sessions and impacted summer workouts and the regular season, Norvell became the only coach in ACC history to defeat a top-five team in his first season when FSU earned a 31-28 victory over No. 5 North Carolina. In the season finale, a 56-35 win over Duke, Florida State scored six rushing touchdowns, matching the program record for rushing touchdowns in an ACC game.

The Seminoles averaged 199.9 rushing yards per game, the program's highest since 2016 and 20th nationally among teams that played at least nine games in 2020, and 5.11 yards per rush, 16th in the nation among teams with at least 350 carries and FSU's most in a season since 2015. Florida State topped 400 yards of total offense in five of the last seven games, including more than 500 yards of total offense twice, and produced FSU's first game with at least 250 yards rushing and passing since 2016.

Norvell's teams are known for elite special teams play, and that was on display in his first season with the Seminoles. Florida State tied for second in the NCAA with five blocked kicks, including two blocked field goals, two blocked punts and one blocked PAT. FSU was one of only two teams in the country to block multiple field goals and multiple punts in 2020. Additionally, the Seminoles ranked 16th in the nation in net punting average.

The team posted a program-record 3.310 grade-point average in the spring 2025 semester, following a fall-record 3.095 in the fall of 2024. The overall semester GPA record bested the 3.127 earned in Norvell's first semester at FSU, setting an immediate indication of the importance Norvell places on academics in his program. Florida State has produced 73 Academic All-ACC selections under Norvell and has broken the single-season program record in three straight years, highlighted by 30 academic all-conference honorees in 2024, the fifth-highest total in the ACC. FSU's multi-year Academic Progress Rate of 990 released in May of 2025 set a program high for the third straight year, and FSU also tied its program-best single-year score of 997 for the second straight report. As another public signal, 468 players have earned a Seminole Scholar patch on their uniform as part of a program Norvell introduced to recognize academic achievement.

Norvell spent the 2016-19 seasons as the head coach at Memphis, compiling a record of 38-15, including the 2019 American Athletic Conference championship and a spot in the New Year's Six Cotton Bowl. His 71.7 winning percentage was the highest in Memphis history. Memphis was the first school to appear in three straight American Athletic Conference Championship

Games, and Norvell is one of 17 head coaches in any conference to appear in three straight conference championship games. He is also one of only eight to make three conference championship game appearances in their first four years as a head coach.

Memphis was one of three FBS teams to rank in the top-15 nationally in scoring offense every year from 2016-19, along with Ohio State and Oklahoma. Memphis shined on special teams under Norvell as the Tigers were one of only two schools with at least one kickoff return touchdown each year from 2016-19, and their 11 kickoff return touchdowns over that span were the most in the nation. The 2019 team ranked second in the country in special teams efficiency by ESPN, trailing only Penn State which hired Norvell's special teams coordinator prior to the 2019 season.

The Tigers' defense wreaked havoc on opponents, forcing 99 total takeaways and averaging 6.8 tackles for loss per game. Memphis was one of only six FBS teams with multiple defensive touchdowns every year from 2016-19.

In 2019, Norvell led Memphis to a school-record 12 wins and the program's first outright conference championship since 1969. Norvell, who is the only coach in Memphis history with two 10-win seasons, produced two of the four 10-win seasons at the school and holds program records with eight wins in his first season, 18 over his first two, 26 in his first three and 38 in his first four seasons. He also holds the school record for the most wins over a three-year span with 30 victories from 2017-19 to bypass his 26 wins from 2016-18.

The 2019 Tigers produced a program-record 14 all-conference selections, including co-Special Teams Player of the Year Antonio Gibson and Rookie of the Year Kenneth Gainwell, in addition to Mortell Award winner Preston Brady as the national holder of the year. Gibson's average of 28.8 yards per kickoff return ranked sixth in the country, while Gainwell ranked ninth with 150.54 all-purpose yards per game and 12th with an average of 6.42 yards per rush. Brady White, named a finalist for the Manning Award and Johnny Unitas Award, ranked in the top-20 in FBS in passing yards per completion, yards per attempt, passing efficiency, passing touchdowns, passing yards per game and points responsibility. He had a streak of 11 straight games with at least two passing touchdowns, tied for the longest streak in AAC history, and was one of five quarterbacks in the nation with at least 11 multiple-touchdown games. In 2018, Norvell's team boasted the fourth-best rushing attack in the nation, averaging 279.9 yards per game with a school-record 3,919 total rushing yards and 48 touchdowns on the ground. He produced the first season in Memphis history with two 1,000-yard rushers, led by Doak Walker Award finalist and unanimous All-American Darrell Henderson. Henderson broke the NCAA career record with an average of 8.22 yards per carry, and his 2018 average of 8.92 yards per carry was the highest for a season with a minimum of 200 carries in records dating back to 2000.

The 2017 team averaged 45.5 points per game, the second-highest average in the country, and ranked fourth in the NCAA with 523.1 yards per game and 7.35 yards per play. That year, Memphis forced 31 takeaways, good for third in the country, and ranked third with a turnover margin of plus-1.15 per game. The team's average of 26.02 yards per kickoff return also ranked fourth. Anthony Miller earned consensus All-America honors after leading the NCAA with 18 receiving touchdowns and ranking third in the country with 96 receptions and 1,462 yards.

In his first year at the helm, Norvell immediately put his stamp on the program. Memphis ranked second in kickoff return defense, allowing only 16.04 yards per return, while boasting the nation's fifth-best kickoff return average of 26.57 yards per return. The Tigers were the only team to rank in the top-17 of both categories in 2016. Memphis also forced 29 takeaways, the fifth-highest total in the country, and ranked in the top-15 in scoring offense, averaging 38.8 points per game, and passing offense at 304.4 yards per game.

The Tigers flourished academically under Norvell as well, posting single-year APR scores of 991 in 2018-19, 988 in 2017-18 and 976 in 2016-17. Under his guidance, the football team earned its highest grade-point average in program history in the fall of 2017. Through his first three years, 55 players earned their bachelor's degree, including eight on the 2019 team.

Norvell took over at Memphis after four years as the offensive coordinator and quarterbacks coach at Arizona State. The Sun Devils averaged 38.1 points per game and scored nearly 2,000 points in his four seasons. His 2014 offense gained 5,750 yards, 3,556 of those through the air, and ranked 13th in the nation with 34 touchdown passes. The 2013 team's average of 39.7 points per game ranked 10th nationally.

Norvell spent one year as Pitt's co-offensive coordinator, wide receivers coach and director of recruiting. From 2007-10 he coached wide receivers at Tulsa, adding passing game coordinator duties in 2009 and director of recruiting responsibilities in 2010. The Golden Hurricane had five 1,000-yard receivers under Norvell's leadership, led by All-American Damaris Johnson. Johnson broke the NCAA record for career all-purpose yards with 7,796 and is one of four players in NCAA history with three seasons of at least 2,000 all-purpose yards.

Norvell was a four-year letterwinner at Central Arkansas and was inducted into the UCA Sports Hall of Fame in 2015. He broke the school record with 213 career receptions and was second on the program's all-time list with 2,611 receiving yards and an average of 4.6 catches per game. He helped lead the Bears to 33 wins in his four years, including an 11-3 mark in 2005. The next year, he began his coaching career as a graduate assistant at his alma mater.

Norvell earned two degrees from Central Arkansas, completing his bachelor's degree in social science in 2005 and his master's degree in training systems in 2007. Norvell and his wife, Maria, have a daughter, Mila.

GUS MALZAHN
OFFENSIVE COORDINATOR

Experience: 1st Season at FSU | 20th Season as collegiate coach
Hometown: Fort Smith, Ark. | Alma Mater: Henderson State, 1990
Family: wife, Kristi; daughters, Kylie and Kenzie

Renowned offensive innovator Gus Malzahn is in his first season as Florida State's offensive coordinator after joining the program on December 2, 2024.

Malzahn, who has 19 years of experience as a head coach or offensive coordinator at the FBS level, most recently spent the last four seasons leading the football program at UCF where his team produced a top-10 rushing attack and top-20 total offense each of the last three years. His extensive resume includes a national championship, another National Championship Game appearance, three conference championships and eight conference championship game appearances. He has a record of 105-62 as a collegiate head coach and is the only coach to earn 100 wins as an FBS head coach and as a high school head coach.

As head coach, he led Auburn to the 2013 BCS National Championship Game behind an offense that was the first SEC team to lead the country in rushing yards per game and only the second SEC offense to top 7,000 total yards in a season. As offensive coordinator, he directed offenses that showcased Heisman Trophy winner Cam Newton and Heisman Trophy runner-up Darren McFadden. He has coached 16 1,000-yard rushers, including in each of the last two seasons at UCF, and three times has produced multiple 1,000-yard rushers in the same season. His 2007 Tulsa offense, with Norvell serving as his graduate assistant, is the only team in NCAA history to produce three 1,000-yard receivers, a 5,000-yard passer and a 1,000-yard rusher.

Malzahn's offenses have averaged 447.7 yards of total offense per game over his 19 years as an offensive coordinator or head coach. He has directed offenses that eclipsed 5,000 yards of total offense 16 times, with eight seasons above 6,000 yards and three totaling more than 7,000 yards. His offenses have shown the ability to adapt to strengths year-over-year, evidenced by eight years with more than 3,000 passing yards, including three with more than 4,000 yards passing, and seven seasons with 3,000 rushing yards.

Each of Malzahn's last three UCF teams produced a top-10 rushing attack as the Knights ranked seventh in 2024 with an average of 248.1 yards per game after ranking fourth in 2023 and ninth in 2022. The 2023 team also was eighth in the country in total offense, averaging 487.0 yards per game, fourth in third-down conversion percentage and eighth in passing yards per completion. His 2024 offense ranked 16th nationally in total offense behind running back RJ Harvey who ranked in the top five nationally in all-purpose yards, points per game, rushing yards per game and rushing touchdowns.

In 2023, Malzahn led the Knights into the Big 12 and became the only program out of the four that joined the conference to reach a bowl game in their initial season. He ended his first season at UCF with a win over Florida in the 2021 Gasparilla Bowl before taking the Knights to the 2022 AAC Championship Game with an offense that averaged 469.6 yards per game to rank 16th in the country in total offense.

Malzahn is responsible for the first two 50-point totals in the SEC Championship Game, a mark that has only been reached five times in the game's 33-year history. His 2013 team set SEC Championship Game records with 59 points scored, 677 yards of total offense, 545 rushing yards and seven rushing touchdowns in a 59-42 win over No. 5 Missouri. The 2010 team set a conference championship game record with its 39-point margin of victory by defeating No. 19 South Carolina 56-17.

In 2013, his first season as head coach at Auburn, he led a remarkable turnaround as the program posted a 12-2 record, won the SEC championship and played in the BCS National Championship Game at the Rose Bowl. Malzahn earned the Bear Bryant, Bobby Bowden and Eddie Robinson Coach of the Year awards and was named Coach of the Year by multiple national media organizations for his performance taking over a team that finished with three wins the season before. He was the third coach in SEC history, and first since 1947, to win the conference title in his first year.

Malzahn led the Tigers to eight victories over top-10 opponents during his time as head coach, including defeating No. 1 Georgia and No. 1 Alabama in a span of three weeks in 2017. Auburn reached the postseason in all eight of his seasons as head coach and won two SEC Western Division titles. He produced 32 NFL Draft picks in his time leading the Auburn program, with four first-round selections highlighted by offensive tackle Greg Robinson taken No. 2 overall in 2014, and 14 All-Americans.

In his first FBS head-coaching stint, Malzahn led Arkansas State to the 2012 Sun Belt Conference championship. The Red Wolves led the conference in rushing offense and passing efficiency and ranked in the top 25 nationally in rushing, passing efficiency, third-down conversion percentage, first downs, red zone offense and total offense.

Malzahn earned the 2010 Broyles Award as the nation's best assistant coach while directing an offense that powered Auburn to the school's first national championship since 1957. He directed quarterback Cam Newton to the Heisman Trophy and the Davey O'Brien, Maxwell and Manning awards before being selected No. 1 overall in the 2011 NFL Draft. The 2010 Tigers averaged 499.2 yards of total offense, 287.2 yards of rushing offense and 41.2 points per game to lead the SEC in all three categories.

During his two seasons as co-offensive coordinator and assistant head coach at Tulsa, Malzahn put together the best offense in the nation. The 2007 offense averaged 543.9 yards and 41.1 points per game before improving to 569.9 yards and 47.2 points per game in 2008. Tulsa led the nation in total offense in 2007 and 2008 and ranked second nationally in scoring offense in 2008.

Malzahn began his collegiate coaching career as offensive coordinator at Arkansas, where he helped the Razorbacks reach the SEC Championship Game with the nation's No. 4 rushing offense and Heisman Trophy runner-up Darren McFadden. In addition to McFadden, the No. 4 overall pick in the 2008 NFL Draft, the offense featured first-round NFL Draft pick Felix Jones and Peyton Hillis, who was drafted by the Denver Broncos and played seven years in the NFL.

Before entering collegiate coaching, Malzahn was a high school head coach in Arkansas for 14 seasons. His overall record of 144-36-1 included three state championships. He led Shiloh Christian to perfect 15-0 marks and the 2A state title in 1998 and 1999 and directed Springdale High School to a 14-0 record and the 5A state crown in 2005. Malzahn was inducted into the Arkansas High School Sports Hall of Fame in 2013.

Malzahn earned his bachelor's degree in physical education from Henderson State in 1990. He began his collegiate career at Arkansas, playing wide receiver for the Razorbacks in 1984 and 1985 before transferring to Henderson State. Malzahn and his wife, Kristi, are the parents of two daughters, Kylie and Kenzie.

TONY WHITE
DEFENSIVE COORDINATOR

Experience: 1st Season at FSU | 19th Season as collegiate coach
Hometown: El Paso, Texas | Alma Mater: UCLA, 2002
Family: wife, Angela; son, Anthony III; daughter, Ava

Tony White is in his first season as Florida State's defensive coordinator after joining the program on December 5, 2024 and bringing with him an aggreesive, innovative approach.

White, a two-time Broyles Award nominee for the nation's best assistant coach, has produced a top-25 defense in each of the last four seasons at two different schools and held opponents to 20 or fewer points 25 times, including 15 times in 24 games over the past two seasons. From 2021-24, White's defense held its opponent to less than 100 rushing yards in 25 games and 15 times held the opponent to less than 75 rushing yards. His recruiting acumen has been recognized with three Recruiter of the Year awards.

White came to Florida State after two seasons as the associate head coach and defensive coordinator at Nebraska. He made an immediate impact on the Huskers in his first season by directing the program's best defensive season since joining the Big Ten more than a decade earlier. Nebraska allowed only 92.9 rushing yards per game, the eighth-best rushing defense in the country in 2023 and the best at Nebraska this century, while also ranking 11th nationally in total defense and 13th in scoring defense.

In 2024, he followed that up with another top-20 defensive performance as the Huskers ranked 14th in rushing defense, 19th in total defense and 20th in scoring defense. Nebraska held five opponents to 10 or fewer points and six opponents to fewer than 300 yards of total offense, including limiting eventual national champion Ohio State to 285 yards when the Buckeyes entered the game averaging more than 500 yards of total offense. The Huskers allowed only six rushing touchdowns, the third-fewest in the nation, and held 10 opponents without a rushing touchdown, including all seven at home. Nebraska was the first team nationally since 2021 to not allow a rushing touchdown at home and kept all its home opponents out of the end zone on the ground for the first time since 1939.

White was the defensive coordinator at Syracuse from 2020-22, where he tutored four Freshman All-Americans and 13 All-ACC selections. The Orange were one of 12 teams to rank in the top 25 nationally in total defense in both 2021 and 2022 after the 2021 team improved 93 spots to 19th in the national total defense rankings. The 2022 team allowed 184.8 passing yards per game to rank 14th in the country while also ranking 21st nationally in total defense and helping Syracuse reach a bowl game for the first time since 2018.

Before his time at Syracuse, White was Arizona State's defensive passing game coordinator and cornerbacks coach in 2018 and 2019. He helped the Sun Devils to a dramatic improvement in pass defense and aggressive play, as the 2019 team's average of 5.54 passes defended per game was No. 7 in the country and its 13 interceptions were the country's 25th-highest total. White served as the interim defensive coordinator in the Sun Bowl when Arizona State forced six takeaways, including an interception return touchdown for the game-winning points, and recorded 10 tackles for loss.

White coached cornerbacks at San Diego State from 2009-17 and added recruiting coordinator duties for his final six years, helping the Aztecs win three conference championships and play in eight bowl games. San Diego State led the country with 26 interceptions in 2016 one season after grabbing 23 interceptions to rank second nationally. The 2014 and 2015 teams both ranked in the top 10 in the country in pass efficiency defense, posting the nation's No. 3 mark in 2014 and No. 10 in 2015. In 2017, the Aztecs had the nation's 15th-best pass defense, allowing only 178.7 passing yards per game.

His tenure at San Diego State included eight all-conference honors from his cornerbacks, led by 2015 and 2016 Mountain West Defensive Player of the Year Damontae Kazee. Kazee, the first cornerback to win the conference's Defensive Player of the Year honor twice, was also a second-team All-American in 2015 and is in his ninth season in the NFL in 2025 after being selected by the Atlanta Falcons in the 2017 NFL Draft. White was named Mountain West Recruiter of the Year twice by Scout.com and the nation's best non-P5 recruiter by Rivals in 2014.

White spent the 2008 season as the linebackers coach at New Mexico, helping the Lobos rank 26th nationally in rushing defense behind two all-conference linebackers, after spending the 2007 season as a graduate assistant at UCLA. White began his coaching career in 2006 as the head coach at St. Genevieve High School in California and led the Valiants to a 3-1 league record in his only season at the helm.

White earned his bachelor's degree in history from UCLA in 2002. He was a three-year starter at linebacker and a team captain in 2000, helping the Bruins win 30 games and appear in the Rose Bowl, Cotton Bowl and Sun Bowl during his four years. White and his wife, Angela, have one son, Anthony III, and one daughter, Ava.

JOHN PAPUCHIS

SPECIAL TEAMS COORDINATOR/LINEBACKERS

Experience: 6th Season at FSU | 25th Season as collegiate coach
Hometown: Gaithersburg, Md. | Alma Mater: Virginia Tech, 2001; Kansas, 2003
Family: wife, Billie; daughters, Addyson, Sophia and Rylee; sons, John and Jack

John Papuchis enters his sixth season at Florida State and first as linebackers coach in 2025. He continues to serve as the special teams coordinator, a role he has held since arriving in Tallahassee prior to the 2020 season.

Papuchis' players have earned 55 all-conference recognitions, four conference Player of the Year awards and one Rookie of the Year. He has coached 16 NFL Draft picks, highlighted by Jared Verse's selection at No. 19 overall by the Los Angeles Rams in 2024, and seven All-Americans, including the first defensive player to earn Associated Press Player of the Year honors. Papuchis won the 2007 national championship as part of the staff at LSU and has coached in seven conference title games.

Both of Florida State's first-round draft picks under head coach Mike Norvell were Papuchis products – Verse in 2024 and Jermaine Johnson II in 2022, No. 26 overall by the New York Jets. In addition to Johnson and Verse at defensive end, Papuchis has also led punter Alex Mastromanno, kicker Ryan Fitzgerald and long snapper James Rosenberry Jr. to first-team All-America honors during his time at Florida State.

Mastromanno capped a five-year career at Florida State with an ACC-record 49.3 yards per punt in 2024, the highest average in the country. He became FSU's second punter to earn consensus All-America honors and joined Fitzgerald as the first punter-kicker duo to be named first-team All-Americans in the same season by the AFCA.

Mastromanno was a two-time finalist for the Ray Guy Award after finishing his career as FSU's all-time leader in punts, punt yards and punting average.

Fitzgerald was a 2024 finalist for the Lou Groza Award after connecting on all 13 field goal attempts and 14 point-after tries. A Seminole for six seasons, Fitzgerald was 5-for-5 from over 50 yards as a redshirt senior, including a 59-yard field goal against Georgia Tech that was the second-longest in program history.

Fitzgerald ended his Florida State career fourth in program history with 178 made PATs, fifth with 352 points and seventh with 58 field goals made.

As part of their five blocked kicks in 2024, the Seminoles blocked four field goals, tying the single-season program record and leading the nation. Since Papuchis was hired as special teams coordinator, Florida State has blocked 14 total kicks, the seventh-highest total in the country. FSU blocked two field goals against Clemson in 2024, the fifth game under Papuchis that FSU blocked multiple kicks in a game.

Freshman Samuel Singleton Jr. was named the FWAA's Freshman All-American kick returner, becoming Florida State's first FWAA Freshman All-American since first-round NFL Draft pick Brian Burns in 2016. Singleton returned a kickoff 95 yards for a touchdown at Duke, the third consecutive season that FSU has scored on a kickoff return, a school record. Singleton's 165 kickoff return yards against the Blue Devils were the seventh-highest total in program history and the most by any freshman in a single game in the country in 2024. FSU is one of just two teams nationally with a kickoff return touchdown each of the past three seasons.

The 2023 team completed a 13-0 regular season that culminated in the program's 16th ACC championship with a victory over No. 14 Louisville in the ACC Championship Game and earned a berth in the Orange Bowl. Florida State ranked sixth in the country with 3.29 sacks per game and by holding opponents to a 28.8 percent third-down conversion rate. The Seminoles broke ACC Championship Game records with 14.0 tackles for loss and 188 yards of total offense allowed and also became the first team in at least 20 seasons to hold their opponent to negative yards in the fourth quarter in back-to-back games.

Verse, a first-team All-American, continued wreaking havoc in his second season under Papuchis' guidance, becoming FSU's first two-time first-team All-ACC defensive end since 1995-96 after registering 12.5 tackles for loss with 9.0 sacks in 2023. Sophomore Patrick Payton built on his ACC Defensive Rookie of the Year season by leading the team with 14.5 tackles for loss and becoming the first ACC defensive lineman since 2016 with 10 pass breakups. In the final two games of the regular season, wins at Florida and in the ACC Championship Game, Payton and Verse combined for 10.0 tackles for loss as the FSU defense held the Gators and Cardinals to a total of 21 points and 420 yards of offense.

Florida State's 2023 ACC championship team was heavily impacted by the special teams units, with All-American Rosenberry at long snapper, second-team All-American Mastromanno at punter and first-team All-ACC return specialist Keon Coleman.

Fitzgerald was 19-of-21 on field goals and a perfect 58-for-58 on PATs in 2023. He led the ACC with 115 points and 58 made PATs to became the first player in FSU history with multiple seasons of at least 57 made PATs. His made PATs total was the second-highest single-season total without a miss in program history.

In 2022, Florida State finished 10-3 and No. 11 in the AP poll. FSU ranked in the top-15 nationally in passing defense, yards per pass attempt and total defense.

In 2021, Papuchis guided the development of first-team All-American and ACC Defensive Player of the Year Jermaine Johnson II as well as third-team all-conference defensive end Keir Thomas. Johnson authored one of the best seasons in recent memory as the defensive end ranked first in the ACC with 12.0 sacks and 18.0 tackles for loss – both the highest totals for an FSU defender since 2016 – and led all defensive linemen nationally with 70 tackles. Johnson and Thomas, who recorded 12.0 tackles for loss and 6.5 sacks with 15 quarterback hurries, were the only teammates in the ACC, and one of only three pairs in the country, to average at least 1.3 tackles for loss per game in conference play.

Florida State's special teams featured redshirt freshman punter Mastromanno and redshirt freshman kicker Fitzgerald continuing their ascent as primary contributors for the Seminoles. Mastromanno averaged 42.7 yards per punt, the sixth-highest average in the ACC, and landed 18 punts inside the 20-yard line with none of his 61 punts resulting in a touchback. Fitzgerald scored 67 points in his first season as FSU's primary kicker, including a career-high 11 points in the 31-28 victory vs. Miami and the 59-3 win vs. UMass.

Papuchis made an immediate impact on special teams his first season on staff, vaulting FSU back into the realm of the nation's elite in 2020. The Seminoles tied for second in the NCAA with five blocked kicks, including two blocked field goals, two blocked punts and one blocked PAT. FSU was one of only two teams in the country to block multiple field goals and multiple punts in 2020. Additionally, the Seminoles ranked 16th in the nation with a net punting average of 41.34 yards per punt.

Florida State tied multiple single-game school records in 2020. The Seminoles had a school-record-tying three blocked kicks, including tying the single-game record of two blocked field goals, in the season opener against Georgia Tech. In FSU's 31-28 victory over No. 5 North Carolina, the Seminoles tied a single-game school record with two blocked punts, both of which came in the first quarter. Florida State's punt coverage unit registered three takeaways in 2020 by recovering fumbles on punt returns.

His defensive ends made an impact in 2020 as well, led by Janarius Robinson and Joshua Kaindoh. Kaindoh gave FSU a 24-0 lead in the win over UNC with a 25-yard interception return for a touchdown, the first pick-six by a Seminole defensive lineman since 2009, and Robinson had 3.0 tackles for loss with a career-high 2.0 sacks against the Tar Heels. The 2021 NFL Draft featured both Robinson and Kaindoh being taken in the fourth round. Kaindoh won Super Bowl LVII as a member of the Kansas City Chiefs.

Papuchis came to Tallahassee after coordinating Maryland's special teams and coaching inside linebackers in 2019. He previously was the defensive coordinator at North Carolina and Nebraska and also served as special teams coordinator at Nebraska.

Papuchis was the special teams coordinator and inside linebackers coach at Maryland in 2019. The Terrapins were 11th in ESPN's efficiency rankings and one of only four Power 5 teams with a kickoff return touchdown and punt return touchdown.

Papuchis spent the 2015-18 seasons at North Carolina, serving as linebackers coach his first two seasons before being promoted to defensive coordinator for 2017 and 2018. In his first season as defensive coordinator, Papuchis helped direct M.J. Stewart, a second-team All-ACC performer and second-round pick by the Tampa Bay Buccaneers, and Jacksonville native Andre Smith who was taken in the seventh round by the Carolina Panthers. Stewart ended his career with a school-record 41 pass breakups.

Papuchis spent seven seasons at Nebraska and was the Huskers' defensive coordinator for the last three. He was the youngest solo defensive coordinator in the country when he was promoted to the post in 2012. In 2014, his defense ranked second in the country by allowing a completion percentage of just 48.5 while also ranking fourth nationally in pass efficiency defense at 104.83 and fifth in third-down percentage at 30.1.

On defense, he coached back-to-back Big 12 Defensive Player of the Year winners in Ndamukong Suh and Prince Amukamara. In 2009, Suh won the Outland Trophy, Bronko Nagurski Trophy, Lombardi Award and Bednarik Award while also being a Heisman finalist. Suh, the first defensive player to earn AP Player of the Year honors, was picked second overall in the 2010 NFL Draft. Amukamara become a unanimous All-American and the Big 12 Defensive Player of the Year in 2010 before being drafted 19th overall by the New York Giants.

Papuchis was on staff at LSU from 2004-07, culminating in the 2007 BCS National Championship. His career began as a graduate assistant at Kansas from 2001-03.

Papuchis graduated from Virginia Tech in 2001 with a bachelor's degree in business management and earned his master's degree in sports administration from Kansas in 2003.

Papuchis and his wife, Billie, have three daughters, Addyson, Sophia and Rylee, and two sons, John and Jack.

CHRIS THOMSEN
DEPUTY HEAD COACH/TIGHT ENDS

Experience: 6th Season at FSU | 29th Season as collegiate coach
Hometown: Vernon, Texas | Alma Mater: TCU, 1993; Abilene Christian, 2000
Family: wife, LeAnn

Chris Thomsen was named Florida State's deputy head coach and tight ends coach on Dec. 19, 2019, and enters his sixth season in Tallahassee in 2025.

Thomsen has coached 117 different all-conference players who have combined for 185 all-conference recognitions as well as 25 individual All-Americans who have earned 38 All-American certificates, including 13 first-team selections.

Thomsen oversaw the development of true freshmen tight ends Landen Thomas and Amaree Williams in 2024. In consecutive weeks, both players caught a touchdown for their first career reception, FSU's first true freshmen tight ends with a touchdown since 2011. Four different tight ends started at least one game in 2024, and the group combined for 33 receptions, 396 yards and three touchdowns.

The 2023 team completed a 13-0 regular season that culminated in the program's 16th ACC championship with a victory over No. 14 Louisville in the ACC Championship Game and earned a berth in the Orange Bowl behind an offense that led the conference in scoring for the second consecutive year.

Florida State's tight ends made huge contributions in the passing attack while helping anchor a strong running game. Jaheim Bell, who was selected by the New England Patriots in the 2024 NFL Draft, earned second-team All-ACC honors in his first season under Thomsen's tutelage after catching 39 passes for 503 yards and two touchdowns plus one rushing touchdown, the highest production for an FSU tight end since 2018 NFL Draft pick Ryan Izzo. Bell made a career-high eight catches in FSU's win over No. 16 Duke and scored one receiving and one rushing touchdown in the season-opening victory over No. 5 LSU. Kyle Morlock appeared in all 14 games with 11 starts and made 19 receptions for 255 yards, including a career-long 63-yard catch at Pitt.

During his first three seasons, Thomsen elevated the tight end position into a play-making group contributing valuable receptions and powerful blocking. In 2022, his group helped lead FSU to a 10-3 record and a final ranking of No. 10 in the Coaches Poll and No. 11 in the AP poll. Florida State led the nation with its average of 7.46 plays of 20-plus yards per game, the program's highest season average since the 2013 national championship, and was third in the country with an explosive play rate of 17.15 percent. The Seminoles were one of two teams nationally to average at least 270 passing yards and at least 210 rushing yards per game in 2022. FSU also tied for the national lead with eight touchdown drives of 90-plus yards, and its 16 touchdown drives of 80-plus yards were third-most in the country.

The Seminoles led the ACC in third-down offense, yards gained per pass, yards gained per play, yards gained per rush, total offense per game, yards per completion, rushing offense per game and scoring offense per game. Florida State was the first team to lead the ACC in scoring and total offense in the same season since 2019 and was one of two teams nationally to lead its conference in yards per rush, yards per pass and yards per play in 2022. Three different tight ends caught a touchdown pass in 2022, including two scoring their first collegiate touchdown, and two tight ends made receptions for two-point conversions.

In 2021, Camren McDonald was named to the 2021 Allstate Good Works Team and to the Mackey Award Watch List. He caught 24 passes for 243 yards and two touchdowns, while redshirt senior Jordan Wilson returned from an injury to make 11 receptions for 132 yards. The tight ends also blocked for a running game that featured six 200-yard rushing games and seven individual 100-yard performances in 2021.

In his first year at Florida State, Thomsen developed a versatile tight end group led by McDonald, who started all nine games and made 23 catches for 263 yards and two touchdowns. McDonald's first career score came at No. 12 Miami and his second proved to be the winning points in FSU's 31-28 victory over No. 5 North Carolina.

The tight end group also helped block for a vastly improved rushing attack in 2020. The Seminoles averaged 199.9 rushing yards per game, the program's highest since 2016 and 20th nationally among teams that played at least nine games in 2020, and 5.11 yards per rush, 16th in the nation among teams with at least 350 carries and FSU's most in a season since 2015. Florida State topped 400 yards of total offense in five of the last seven games, including more than 500 yards of total offense twice, and produced FSU's first game with at least 250 yards rushing and passing since 2016.

Thomsen came to Tallahassee following three years coaching the offensive line at TCU, his alma mater. He was the head coach at Abilene Christian from 2005-11 and also brought experience as an assistant at Arizona State, Texas Tech and Central Arkansas.

Thomsen coached five all-conference performers during his three years at TCU. Thomsen made an immediate impact in the 2017 season as the Horned Frogs played in the Big 12 Championship Game and won 11 games behind an offensive line that placed all four seniors into the NFL, highlighted by Joseph Noteboom's third-round selection by the Los Angeles Rams.

Thomsen mentored Lucas Niang, a 2020 third-round pick by the Kansas City Chiefs, to All-Big 12 honors in 2018 after the junior started all 13 games and did not allow a sack the entire season.

Thomsen was the assistant head coach and offensive line coach at Arizona State from 2013-16, spending the first three years with Sun Devils' offensive coordinator Mike Norvell and helping lead ASU to the 2013 Pac-12 Championship Game. Their 2014 offense gained 5,750 yards, 3,556 of those through the air, and ranked 13th in the nation with 34 touchdown passes. The 2013 team's average of 39.7 points per game ranked 10th nationally. Thomsen coached five different Sun Devil linemen to All-Pac 12 recognition and three linemen were NFL Draft picks.

During Thomsen's time as the head coach at Abilene Christian, he led the Wildcats to a 51-21 record and six straight trips to the Division II playoffs with the 2008 team advancing to the quarterfinal round. He was a four-time Lone Star Conference Coach of the Year, receiving the honor in 2006, 2007, 2008 and 2010. ACU won Lone Star Conference championships in 2008 and 2010, winning 11 games both seasons. Prior to his arrival, the Wildcats had never played in the Division II playoffs and had not won a conference championship since 1977.

In the second round of the 2008 playoffs, Thomsen led ACU to a win in the highest-scoring game in NCAA history. His team defeated West Texas A&M 93-68 as the teams combined to break 45 Division II records. That year, the Wildcats led the NCAA with 558.8 yards per game and 52.3 points per game. In 2007, Abilene Christian ranked first in Division II with an average of 49.2 points per game.

Thomsen had five draft picks at Abilene Christian. Danieal Manning was picked in the second round of the 2006 NFL Draft by the Chicago Bears, the first non-Division I player taken in 2006 and the highest ACU pick since 1977. Johnny Knox was a fifth-round selection by Chicago in 2009 and Bernard Scott, who earned the Harlon Hill Trophy as Division II's MVP in 2008, was taken in 2009's sixth round by the Cincinnati Bengals. Clyde Gates was a fourth-round pick by the Miami Dolphins in 2011, and Daryl Richardson was taken in the seventh round by the St. Louis Rams in 2012. He also helped develop wide receiver Taylor Gabriel, who had more than 2,000 career receiving yards in six NFL seasons, and running back Charcandrick West, who played five seasons with the Kansas City Chiefs.

Before becoming the head coach at Abilene Christian, Thomsen served as Central Arkansas' offensive line coach and recruiting coordinator in 2003 and 2004. He began his coaching career in 1994 as a graduate assistant at Abilene Christian, before spending two seasons as the offensive line coach and one as the defensive line coach. He was named the Wildcats' offensive coordinator in 1998. After spending one season away from football, he got back into coaching as the offensive coordinator at Wichita Falls High School in 2001 and 2002.

Thomsen played football and baseball at TCU, lettering for the Horned Frogs on the gridiron from 1988-90 and on the diamond in 1991. During his lone season with the baseball team, he earned All-Southwest Conference, All-America and TCU Male Athlete of the Year honors after nearly hitting for the triple crown. He led the SWC with 21 home runs and 70 RBI, while his .373 batting average was second in the conference. Thomsen was selected in the 17th round of the Major League Baseball Draft by the Oakland Athletics and played two seasons in Oakland's minor league system.

After retiring from baseball, he returned to play one season on the football team at Abilene Christian. He was a second-team All-American and first-team All-Lone Star Conference tight end for the Wildcats in 1993.

Thomsen earned his bachelor's degree in criminal justice from TCU in 1993 and completed a master's degree in secondary education from Abilene Christian in 2000.

TIM HARRIS JR.

PASS GAME COORDINATOR/WIDE RECEIVERS

Experience: 1st Season at FSU | 11th Season as collegiate coach
Hometown: Miami, Fla. | Alma Mater: Miami, 2008
Family: wife, Nikki; son, Trey and daughter, Tailor

Miami native and veteran coach Tim Harris Jr., is in his first season at Florida State after he was named FSU's pass game coordinator and wide receivers coach on December 12, 2024.

Harris spent three of the previous four years at UCF. He served as the Knights' offensive coordinator and wide receivers coach in 2024 and was co-offensive coordinator for the 2021 and 2022 seasons. Harris served as the offensive coordinator at FIU in 2020 and also has experience as the offensive coordinator and head coach at Booker T. Washington High School in Miami.

In 2024, Harris coordinated the nation's No. 7 rushing offense and No. 16 total offense as the Knights averaged 248.1 yards per game on the ground, the highest average in the Big 12, and 447.8 yards of total offense per game. In addition to leading the Big 12 in rushing, UCF also ranked in the top five of the conference in total offense, first downs gained and passing yards per completion.

First-team All-Big 12 running back RJ Harvey shined with Harris coordinating the offense. Harvey ranked in the top five nationally in all-purpose yards, points per game, rushing yards per game, rushing touchdowns, total touchdowns and points scored per game. Wide receiver Kobe Hudson's average of 16.38 yards per reception was the conference's seventh-highest average.

Harris spent the 2023 season as Miami's running backs coach. The Hurricanes averaged 176.8 rushing yards per game and reached 200 yards on the ground five times. In 2022, as co-offensive coordinator and running backs coach at UCF, he helped the Knights reach the AAC Championship Game with an offense that averaged 469.6 yards per game, the nation's 16th-highest average, and ranked seventh in the country with an average of 228.4 rushing yards per game. That year, second-team all-conference performer Isaiah Bowser's 16 rushing touchdowns were second in the conference and 14th in the country.

In 2021, Johnny Richardson averaged 96.9 all-purpose yards per game to rank seventh in the conference. Bowser capped the 2021 season by rushing for 155 yards and two touchdowns as part of a 288-yard rushing performance by the Knights in their win over Florida in the Gasparilla Bowl.

Harris spent the 2015-20 seasons on staff at Florida International, first as running backs coach and then as offensive coordinator. He helped oversee the best stretch in FIU history as the Panthers won a program-record nine games, including the Bahamas Bowl, in 2018 one season after tying the previous record with eight wins in 2017. FIU qualified for a bowl game every year from 2017-19, the longest streak in program history. The 2019 team earned FIU's third straight bowl trip with a 30-24 win over Miami, the first win over an ACC team in school history.

In 2020, with Harris serving as offensive coordinator and running backs coach, D'vonte Price led the conference with his average of 6.84 yards per carry and ranked 11th nationally with an average of 116.2 rushing yards per game. The 2019 offense was paced by future NFL running backs Anthony Jones and Napoleon Maxwell. Jones produced three consecutive 100-yard rushing games, only the second such streak in program history, and Jones and Maxwell both broke the 100-yard mark in a win over Charlotte. It was only the seventh time FIU produced two 100-yard rushers in the same game and the fifth time it occurred under Harris' leadership.

FIU's 2018 offense was one of the most successful rushing attacks in Conference USA. The Panthers scored a school-record 27 rushing touchdowns and broke the single-season program record by averaging 4.8 yards per rush while posting a top-three ranking in the conference in total rushing yards, rushing yards per game, rushing touchdowns and yards per rush. The 2017 offense gained 5,100 total yards and scored 333 points, both the second-highest totals in program history, and led the NCAA with a 97.6 percent scoring rate in the red zone.

Before beginning his collegiate coaching career, Harris spent six seasons at Booker T. Washington High School in Miami. As the head coach in 2014, he led the Tornadoes to a perfect 14-0 record, the 4A state championship and a No. 2 national ranking by USA Today. He was named the Florida Dairy Farmers Football Coach of the Year, the Miami Dolphins George Smith South Florida High School Football Coach of the Year, the NIKE Football State Coach of the Year and a finalist for the U.S. Army All-American National Coach of the Year.

Harris was Booker T. Washington's offensive coordinator from 2009-13. He helped the Tornadoes win state titles in 2012 and 2013 and earn the national championship in 2013 with an offense that averaged 41.9 points per game. He also served as the head track and field coach from 2010-14, leading Booker T. Washington to the 2A state championship in 2014 after a runner-up finish in 2013. He was named the 2013 Miami-Dade County Boys Track & Field Coach of the Year.

Harris was a four-time All-American and six-time ACC champion while competing for Miami's track and field team. He still holds the program's indoor 800-meter record and was inducted into the University of Miami Sports Hall of Fame in 2022.

Harris earned his bachelor's degree in liberal arts with a concentration in English and creative writing from Miami in 2008.

Harris and his wife, Nikki, have two children, Trey and Tailor.

EVAN COOPER
SAFETIES

Experience: 1st Season at FSU | 5th Season as collegiate coach
Hometown: Miami, Fla. | Alma Mater: Temple, 2009
Family: wife, Andisha; son, Evan III; daughter, Madison

NFL and college coaching veteran Evan Cooper is in his first season as Florida State's safeties coach after being hired on December 7, 2024.

Cooper, a Miami native who attended American Heritage, brings more than a decade of coaching experience and reunites with FSU defensive coordinator Tony White, who he was with at Nebraska in 2023, and defensive line coach Terrance Knighton, his college teammate and fellow coach with the Carolina Panthers and at Nebraska.

The 2023 Nebraska defense, with Cooper serving as the defensive pass game coordinator and secondary coach, produced four All-Big Ten defensive backs. The quartet was led by Tommi Hill, whose 13 passes defended were the most in the conference. Hill also ranked third in the Big Ten with nine pass breakups while posting the conference's fifth-highest individual interceptions total.

The Huskers held opponents to only 6.1 yards per pass attempt, ninth-lowest in the country, and had the nation's 15th-best passing efficiency defense. Nebraska kept seven of 12 opponents to less than 200 passing yards, including two under 100 yards. The Huskers allowed only 92.9 rushing yards per game, the No. 8 rushing defense in the country and the best at Nebraska this century, while also ranking 11th nationally in total defense and 13th in scoring defense. Hill led the team with 85 tackles and fellow defensive back Omar Brown tied for second among Huskers with 51 tackles.

Cooper was the Carolina Panthers' cornerbacks coach and director of player evaluation from 2020-22. In 2021, Carolina had the NFL's No. 2 total defense, allowing 305.9 yards per game. Cooper's cornerbacks contributed to the league's No. 4 pass defense, holding opponents to only 192.1 passing yards per game, and the fifth-lowest completions allowed total in the NFL.

Cooper spent three seasons at Baylor and helped lead a major transformation in the program that resulted in a trip to the Sugar Bowl in his last year in Waco. He spent the 2017 season as the Bears' director of player personnel before joining the on-field staff working with the secondary and defensive line in 2018. In 2019, he was promoted to cornerbacks coach and recruiting coordinator and helped the Bears post an 11-3 record with an appearance in the Big 12 Championship Game and Sugar Bowl. That year, Baylor's 17 interceptions ranked fifth in the country and contributed to a group that ranked 18th nationally in pass efficiency defense and 19th in scoring defense.

After a brief stint as the assistant director of player personnel at Miami early in 2015, Cooper was hired as Temple's director of player personnel. He served in that role in 2015 and 2016, helping the Owls reach 10 wins both years and qualify for bowl games in consecutive seasons for the first time in program history. The 2016 team also won the AAC, Temple's first conference title in 48 years, by defeating No. 19 Navy in the conference championship game.

Cooper began his coaching career as the defensive backs coach for Westminster Academy in Fort Lauderdale for the 2011 and 2012 seasons. He then accepted a graduate assistant position at Temple in 2013 and moved to the role of director of external operations for the Owls in 2014.

Cooper was a four-year letterman at defensive back for Temple and earned his bachelor's degree in sport and recreational management from Temple in 2009. He and his wife, Andisha, have one son, Evan III, and one daughter, Madison.

HERB HAND
OFFENSIVE LINE

Experience: 1st Season at FSU | 35th Season as collegiate coach
Hometown: Westmoreland, N.Y. | Alma Mater: Hamilton College, 1990; West Virginia Wesleyan, 1993
Family: wife, Debbie; sons, Trey and Cade; daughter, Bailey

Renowned offensive line coach Herb Hand is in his first season at Florida State after being named FSU's offensive line coach on December 10, 2024.

Hand reunites with head coach Mike Norvell, who he coached with at Tulsa, and offensive coordinator Gus Malzahn, who he has previously worked with at Tulsa, Auburn and UCF. Hand has coached offensive lines that blocked for rushers that broke the program's career rushing records at West Virginia, Tulsa and Vanderbilt and, most recently, helped RJ Harvey post the second-highest career rushing total in UCF history.

Hand brings 25 years of coaching experience at the FBS level, with stops at Clemson, West Virginia, Tulsa, Vanderbilt, Penn State, Auburn, Texas and UCF. He has been part of six conference championship teams and three more that won division crowns, and he has coached 38 all-conference performers.

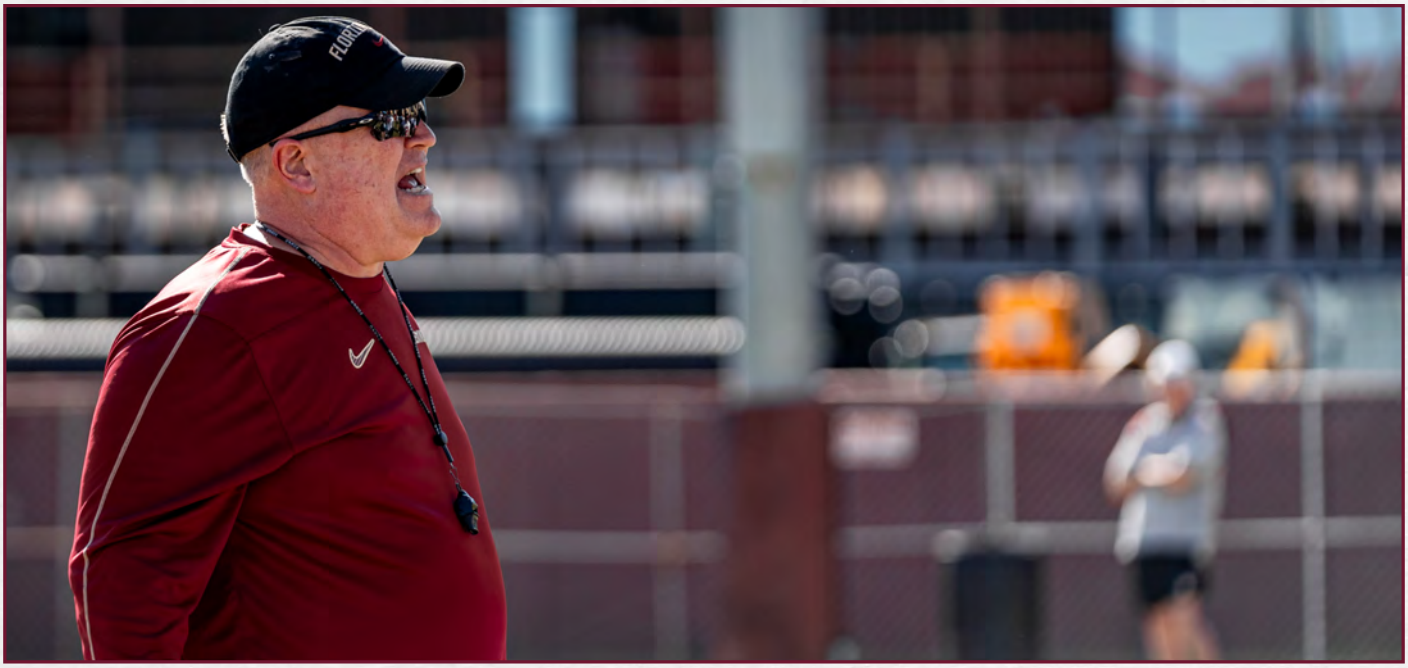
Hand coached eight all-conference linemen while helping UCF produce a top-10 rushing attack in each of the last three seasons as the Knights ranked seventh in 2024 with an average of 248.1 yards per game after ranking fourth in 2023 and ninth in 2022. The 2023 team also was eighth in the country in total offense, averaging 487.0 yards per game, fourth in third-down conversion percentage and eighth in passing yards per completion.

UCF's 2024 offense ranked 16th nationally in total offense behind first-team All-Big 12 running back RJ Harvey who ranked in the top five nationally in all-purpose yards, points per game, rushing yards per game and rushing touchdowns. Hand wrapped up his first season in Orlando with 288 rushing yards in a win over Florida in the 2021 Gasparilla Bowl before helping the Knights reach the 2022 AAC Championship Game with an offense that averaged 469.6 yards per game to rank 16th in the country in total offense.

His time at Texas produced nine All-Big 12 linemen that helped the Longhorns earn three bowl wins, including a victory over No. 6 Georgia in the Sugar Bowl to conclude the 2018 season. In 2020, left tackle Samuel Cosmi earned first-team all-conference and third-team All-America accolades before being selected in the second round of the 2021 NFL Draft.

Hand worked with Malzahn for two seasons at Auburn, where he produced a Joe Moore Award finalist unit in 2017 led by first-team All-American and the conference's Jacobs Blocking Trophy winner Braden Smith. The line also blocked for running back Kerryon Johnson, the SEC's Offensive Player of the Year and a second-team All-American. That year, the Tigers were one of five teams in the country to average at least 230 passing yards and 215 rushing yards per game and also broke the school's single-season record with eight 40-point games. The 2016 Auburn offensive line featured two All-Americans and three All-SEC selections. Running back Kamryn Pettway ranked 11th in the country with his SEC-best average of 122.4 rushing yards per game.

Before his time at Auburn, Hand spent two seasons as Penn State's run game coordinator and offensive line coach. In 2015, his group paved the way for Big Ten Freshman of the Year Saquon Barkley to break the program's freshman rushing record with 1,076 yards on the ground. Hand's first season in Happy Valley produced second-round NFL Draft pick Donovan Smith who went on to a nine-year NFL career that included wins in Super Bowl LV with Tampa Bay and Super Bowl LVIII with Kansas City.



Hand coached the offensive line at Vanderbilt for four seasons from 2010-13 and added run game coordinator responsibilities in 2013. With Hand as the run game coordinator, the Commodores rushed for 34 touchdowns, including a single-season school-record 14 rushing scores by Jerron Seymour. Prior to Seymour's breakout performance, Hand's offensive line helped Zac Stacy break Vanderbilt records for rushing yards in a season and in a career.

Hand joined the Vanderbilt staff after three years at Tulsa. With Norvell, Malzahn and Hand on staff, Tulsa put together the best offense in the nation. The 2007 offense averaged 543.9 yards and 41.1 points per game before improving to 569.9 yards and 47.2 points per game in 2008. Tulsa led the nation in total offense in 2007 and 2008 and ranked second nationally in scoring offense in 2008. In 2009, Hand and Norvell continued the run by producing marking the first time in program history the Golden Hurricane had a 1,000-yard receiver in three consecutive seasons.

Before his time at Tulsa, Hand was the tight ends coach and recruiting coordinator at West Virginia from 2001-06, helping the Mountaineers win three conference championships and earn five consecutive bowl appearances. The 2006 team finished 11-2 after defeating Georgia in the Sugar Bowl and produced an offense that ranked No. 2 nationally in rushing, No. 3 in scoring and No. 4 in total offense.

Hand began his collegiate coaching career as a graduate assistant coaching linebackers at West Virginia Wesleyan. He was then defensive coordinator at Glenville State from 1994-96, helping the Pioneers win three straight conference championships, before moving to Concord College as defensive coordinator and special teams coordinator in 1997 and 1998. He moved into FBS coaching as an offensive graduate assistant at Clemson in 1999 and 2000, helping the Tigers reach the Peach Bowl and the Gator Bowl.

Hand earned his bachelor's degree in history from Hamilton College in 1990 and completed his master's degree in business administration from West Virginia Wesleyan in 1993. He was a three-year starter on the offensive line at Hamilton College, where he also served as a team captain and earned All-New England Small College Athletic Conference honors in 1989.

Hand and his wife, Debbie, have two sons, Trey and Cade, and one daughter, Bailey.

DAVID JOHNSON

RUNNING BACKS/RECRUITING COORDINATOR

Experience: 6th Season at FSU | 18th Season as collegiate coach
Hometown: New Orleans, La. | Alma Mater: Nicholls State, 1995
Family: wife, Akeia; children, Jermaine, De'Von and Karaaz

David Johnson was named Florida State's running backs coach and recruiting coordinator on Jan. 5, 2020, and is in his sixth season with the Seminoles in 2025.

Johnson has coached 19 all-conference performers who have combined to earn 29 all-conference recognitions, including four Special Teams Player of the Year honors.

Florida State completed a 13-0 regular season in 2023 that culminated in the program's 16th ACC championship with a victory over No. 14 Louisville in the ACC Championship Game and earned a berth in the Orange Bowl behind an offense that led the conference in scoring for the second consecutive year. Florida State's 34.6 points-per-game average was bolstered by a program-record-tying 20 different players scoring at least one touchdown and ranked 19th overall in the country. The Seminoles also led the ACC with 61 total touchdowns scored, 32 rushing touchdowns and an average of 13.5 yards per completion while posting the conference's fewest interceptions thrown and total turnovers.

Trey Benson, a third-round pick by the Arizona Cardinals in the 2024 NFL Draft, showcased his explosiveness and versatility during an All-ACC season, becoming the first player in program history with an 80-yard touchdown run and an 80-yard touchdown reception in a career and also tying the program record with three games scoring three rushing touchdowns. Benson finished the 2023 season with 1,133 all-purpose yards with 14 rushing touchdowns and one receiving score. His rushing touchdowns total tied for seventh on FSU's single-season list and ranked second in the ACC and 15th nationally in 2023, while his 15 total touchdowns were second in the conference and his average of 5.81 yards per carry ranked fourth. Benson, who in 2022 became the first FSU runner with a three-rushing-score game against Florida, matched that total to account for all three touchdowns in a 24-15 win at UF in 2023. He posted his first 200-yard rushing game in the win vs. Virginia Tech, the fifth-highest rushing total in Doak Campbell Stadium history, and broke FSU's single-game rushing average record with a mark of 18.2 yards per carry to better Warrick Dunn's record set in 1995.

Lawrance Toafili was named ACC Championship Game MVP after rushing for a career-high 118 yards, including a career-long 73-yard rush, and the go-ahead touchdown in FSU's 16-6 victory. Toafili's 73-yard run was the second-longest rushing play in ACC Championship Game history, and he became the third FSU running back to be named ACC Championship Game MVP and first since Dalvin Cook in 2014. Toafili, who ended the season with 649 all-purpose yards and five touchdowns, also led the team with 93 rushing yards in the 41-3 win over Syracuse.

Toafili built on his ACC Championship MVP as the Seminoles' leading rusher in 2024. His 28-yard rushing touchdown against Georgia Tech was the first touchdown of the 2024 FBS season and he ended the year with 456 yards on the ground.

Benson and Toafili finished their FSU careers tied for 18th in program history with 1,895 rushing yards. Toafili was also 18th with 2,800 career all-purpose yards.

In 2022, Johnson's running backs contributed to one of the most explosive offenses in the nation while helping lead FSU to a 10-3 record and a final ranking of No. 10 in the Coaches Poll and No. 11 in the AP poll. Florida State led the nation with its average of 7.46 plays of 20-plus yards per game, the program's highest season average since the 2013 national championship, and was third in the country with an explosive play rate of 17.15 percent. The Seminoles were one of two teams nationally to average at least 270 passing yards and at least 210 rushing yards per game in 2022. FSU also tied for the national lead with eight touchdown drives of 90-plus yards, and its 16 touchdown drives of 80-plus yards were third-most in the country.

The Seminoles led the ACC in third-down offense, yards gained per pass, yards gained per play, yards gained per rush, total offense per game, yards per completion, rushing offense per game and scoring offense per game. Florida State was the first team to lead the ACC in scoring and total offense in the same season since 2019 and was one of two teams nationally to lead its conference in yards per rush, yards per pass and yards per play in 2022.

Florida State's average of 214.1 rushing yards per game was the program's highest since 1995 and was bolstered by eight 200-yard rushing games, including a school-record-tying seven straight to end the regular season. In the season opener, FSU had three 100-yard rushers for the first time in school history and in the regular season finale, a 45-38 win over Florida, the Seminoles' five rushing touchdowns were the most by a Gator opponent since 1997.

Benson, a second-team All-ACC performer, paced the running backs with his five 100-yard rushing games, including three consecutive career-high totals, and led the ACC with his average of 5.5 yards per carry. Treshaun Ward, who had two 100-yard rushing games, was an honorable mention all-conference selection and semifinalist for the Burlsworth Trophy despite missing four games due to injury. The running back group combined for 2,283 rushing yards and 24 touchdowns.

The 2021 season featured a breakout performance by All-ACC running back Jashaun Corbin. The redshirt sophomore totaled 1,159 all-purpose yards, and his average of 6.2 yards per carry ranked first in the conference and 16th nationally among rushers with at least 10 rushing attempts per game. Corbin showed off his amazing speed with touchdown runs of 89 yards against Notre Dame and 75 yards against Louisville. He was the only rusher in the ACC and one of six nationally with multiple 75-yard runs in the 2021 season and only the fourth player in program history with multiple 75-yard touchdown runs in a season.

The running back group also received significant contributions from Ward and Toafili in their redshirt freshmen years. Ward rushed for 515 yards and four touchdowns, and his average of 6.36 yards per carry was the highest in the ACC among rushers with at least four attempts per game. Toafili rushed for 163 yards and one touchdown and added 116 yards and two touchdowns receiving. Toafili caught a 75-yard touchdown at Clemson, which made him the fifth player in program history with a receiving and rushing touchdown of at least 70 yards in a career.

In his first year at Florida State, Johnson coached a completely new group as Florida State's running back room featured zero returning scholarship players from the previous season. He utilized the group's youth and versatility to account for 1,855 all-purpose yards, led by Corbin and Toafili, and 13 touchdowns, including Ja'Khi Douglas' two receiving scores. Against Duke, Corbin rushed for a career-high three touchdowns, one shy of the school record, and Toafili posted a career-best 117 yards, including a 73-yard touchdown, on only seven carries. Toafili was one of only 12 rushers in the ACC with a 70-yard run in 2020.

Florida State averaged 199.9 rushing yards per game, the program's highest since 2016 and 20th nationally among teams that played at least nine games in 2020, and 5.11 yards per rush, 16th in the nation among teams with at least 350 carries and FSU's most in a season since 2015. In the season finale, a 56-35 win over Duke, Florida State rushed for six touchdowns, the most in the ACC and tied for the seventh-highest single-game total nationally in 2020. That also was only the second time in FSU history the Seminoles rushed for six touchdowns in a conference game, and the 346 rushing yards against Duke were the most by a Florida State team since 2012.

Prior to his time at Florida State, Johnson spent two seasons at Tennessee, two years at Memphis and four seasons at Tulane in a variety of roles.

Tennessee improved from four wins the season before Johnson arrived to eight wins and a Gator Bowl victory in 2019. He coached the Vols' wide receivers in 2018 before moving to running backs in 2019, leading a group that produced five 100-yard rushing games.

In his two seasons at Memphis, Johnson was the Tigers' wide receivers coach and passing game coordinator, where he developed former walk-on Anthony Miller to consensus All-America honors in 2017 after Miller led the NCAA with 18 receiving touchdowns and ranked third in the country with 1,462 yards and fifth with 96 receptions. Johnson joined Memphis after four seasons as Tulane's running backs and tight ends coach.

Johnson was the head coach at St. Augustine High School in New Orleans from 2009-11, developing future NFL talents Tyrann Mathieu and Leonard Fournette. As offensive coordinator at John F. Kennedy and O. Perry Walker High Schools in New Orleans, he coached NFL Draft picks Craig Davis and Mike Wallace.

A two-time all-conference player at Nicholls State, Johnson led the Colonels in receiving in 1992 and 1993. He totaled 50 receptions for 990 yards and eight touchdowns in those two seasons.

Johnson graduated from Nicholls State in 1995 with a bachelor's degree in general education. He and his wife, Akeia, have three children, Jermaine, De'Von and Karaaz.

TERRANCE KNIGHTON
DEFENSIVE LINE

Experience: 1st Season at FSU | 5th Season as collegiate coach
Hometown: Windsor, Conn. | Alma Mater: Temple, 2009

NFL veteran Terrance Knighton is in his first season as Florida State's defensive line coach after being hired on December 6, 2024.

Knighton has quickly risen to prominence coaching defensive linemen, building on a seven-year NFL playing career with coaching roles in the NFL and in two different college programs. He spent the 2023 and 2024 seasons as Nebraska's defensive line coach after two years as a coaching assistant for the Carolina Panthers working with the defensive line.

In 2024, Nebraska ranked 14th nationally in rushing defense, 19th in total defense and 20th in scoring defense. The Huskers held five opponents to 10 or fewer points and six opponents to fewer than 300 yards of total offense, including limiting eventual national champion Ohio State to 285 yards when the Buckeyes entered the game averaging more than 500 yards of total offense. The Huskers allowed only six rushing touchdowns, the third-fewest in the nation, and held 10 opponents without a rushing touchdown, including all seven at home. Nebraska kept all its home opponents out of the end zone on the ground for the first time since 1939 and was the first team nationally since 2021 to not allow a rushing touchdown at home.

In Knighton's first season at Nebraska, the Huskers allowed only 92.9 rushing yards per game, the eighth-best rushing defense in the country and the best at Nebraska this century, while also ranking 11th nationally in total defense and 13th in scoring defense. All 13 of the Huskers' defensive linemen who recorded a tackle set new single-season career-highs, and three defensive linemen earned All-Big Ten acclaim.

In his two seasons with the Carolina Panthers, Knighton served as a coaching assistant working with the defensive line. In 2021, his first year coaching in the NFL, the Panthers ranked second in the league in total defense and allowed only 4.1 yards per rush, the No. 9 yards-per-carry defense in the NFL. The 2022 team held opponents to only 4.3 yards per rush to rank 12th in the league.

Knighton began his coaching career as Wagner's defensive line coach for the 2019 and 2020 seasons. In his first season as a collegiate coach, Knighton oversaw the development of three all-conference defensive linemen, including NEC Defensive Player of the Year and All-American Cam Gill. Gill and fellow defensive lineman Chris Williams both earned invitations to the East-West Shrine Game, the first defensive players to earn an opportunity to participate in the pre-NFL Draft showcase event. They are both still active in the NFL.

Knighton was a standout defensive lineman at Temple and went on to play seven seasons in the NFL for Jacksonville, Denver and Washington. He played in 46 games with 34 starts during his four-year college career and in 2008 became the first Owl to earn first-team All-MAC honors. He was selected in the third round of the 2009 NFL Draft by the Jaguars and earned All-Rookie honors after starting all 16 games in 2009.

After playing four seasons in Jacksonville, he played the 2013 and 2014 seasons in Denver, starting all 36 games over those two seasons and helping the Broncos reach Super Bowl XLVIII. He played the 2015 season in Washington and started all 15 games played. He finished his career with 230 tackles, including 34.0 for loss and 14.0 sacks, 11 pass breakups, three forced fumbles and two fumble recoveries.

Knighton earned his bachelor's degree in criminal justice from Temple in 2009.

PATRICK SURTAIN SR.
DEFENSIVE BACKS

Experience: 3rd Season at FSU | 3rd Season as collegiate coach
Hometown: New Orleans, La. | Alma Mater: Southern Miss, 1998
Family: wife, Michelle; children, Patrick II, Paris and Parker

Patrick Surtain Sr., an 11-year NFL veteran and long-time South Florida high school coach, begins his third season on the FSU coaching staff in 2025 after being hired on Jan. 18, 2023.

In his first season, he helped the 2023 team complete a 13-0 regular season that culminated in the program's 16th ACC championship with a 16-6 victory over No. 14 Louisville in the ACC Championship Game and earn a berth in the Orange Bowl behind the country's most tenacious pass defense. Florida State was the only team in the nation to force more incompletions than completions allowed, and its 48.3 opponent completion percentage was the lowest by a P5 defense since 2016. Florida State also led the country with 80 pass breakups, 90 passes defended and an average of 6.43 passes defended per game while ranking sixth nationally in opponent passing efficiency rating at 103.83 and seventh with 12 passing touchdowns allowed. The Seminoles' aggressiveness was also showcased by ranking sixth in the country with 3.29 sacks per game and holding opponents to a 28.8 percent third-down conversion rate.

Florida State put together streaks of six consecutive games holding its opponent to 50-percent completions or lower, four straight games allowing fewer than 150 passing yards and four consecutive games without allowing a passing touchdown. All four games occurred in October, making FSU the only team in the country to not allow a passing touchdown for an entire calendar month during the 2023 season. In the ACC Championship Game, FSU held Louisville's offense to 14-for-36 passing for 111 yards with a season-high 10 pass breakups and tied for the second-fewest points allowed in an ACC Championship Game while recording only the third first-half shutout in the conference's championship game history.

The defensive backfield featured five all-conference performers, led by Thorpe Award semifinalist Renardo Green. Green led the ACC with 13 pass breakups and 14 passes defended. He twice recorded a single-game career-high three pass breakups, including in the ACC Championship Game, and grabbed an interception from Heisman Trophy winner Jayden Daniels during FSU's season-opening 45-24 win over No. 5 LSU. In the senior night win over North Alabama, Jarrian Jones became the first player in program history to record a tackle for loss, sack, forced fumble, fumble recovery and interception in the same game.

He spent the previous nine seasons, including six as head coach, at American Heritage High School in Plantation, Florida, and was named the 2020 High School Football America National Coach of the Year. He led the Patriots to three state championships and a 65-10 overall record in his six seasons as head coach while developing numerous Division I players and NFL Draft picks, including Brian Burns who was the 16th overall selection in the 2019 NFL Draft after a three-year career at Florida State.

During the 2021 NFL Draft alone, six former Surtain pupils from American Heritage were selected, the second-highest total ever from one high school in a single draft. Cornerback Patrick Surtain II was the ninth overall pick by the Denver Broncos and earned a selection to the Pro Bowl each of the last three seasons. Cornerbacks Tyson Campbell and Marco Wilson were taken in the second and fourth rounds, respectively, wide receiver Anthony Schwartz was a third-round selection, defensive tackle Tedarrell Slaton was taken in the fifth round and running back Khalil Herbert was picked in the sixth round.

Green and Jones were both selected on the second day of the 2024 NFL Draft, part of six FSU players taken among the top 100 picks. Green was a second-round pick by the San Francisco 49ers, and Jones was off the board in the third round to the Jacksonville Jaguars. The pair combined to start 11 games as rookies in the NFL in 2024.

Redshirt sophomore Shyheim Brown started all 14 games at safety and earned the first All-ACC recognition of his career. Fentrell Cypress II, Akeem Dent and Jones also earned all-conference honors in recognition of their contributions to the ACC's best pass defense. In 2024, Azareye'h Thomas added all-conference honors for the first time in his career. Thomas was selected in the third round of the 2025 NFL Draft by the New York Jets, marking the third defensive back selected in Surtain's first two seasons on staff.

Surtain joined the Florida State football program after serving as a defensive assistant for the Miami Dolphins in 2022. The Dolphins advanced to the NFL Playoffs for the first time since 2016 and only the third time since 2001. The Dolphins' defense ranked fourth in the league allowing an average of 103.0 rushing yards per game and produced two Pro Bowl selections. In the final three weeks of the regular season, the defense led the NFL in total defense and ranked second in yards per play allowed, rushing defense and yards allowed per rush. The Dolphins held the New York Jets to six points in a final-week victory that clinched the playoff berth. In the AFC Wild Card round at Buffalo, the Dolphins registered a franchise playoff-record seven sacks and grabbed three takeaways.

Surtain played 11 seasons in the NFL, spending seven years with the Dolphins after they drafted him in the second round of the 1998 NFL Draft and four seasons with the Kansas City Chiefs. He was a two-time All-Pro and was selected to the Pro Bowl after the 2002, 2003 and 2004 seasons. Additionally, he was named the 2002 NFL Alumni Association's Defensive Back of the Year. For his career, he appeared in 163 games with 131 starts and recorded 547 tackles, including 435 solo stops, with 26.0 tackles for loss, 37 interceptions, eight forced fumbles and eight fumble recoveries. His 29 interceptions with the Dolphins are tied for fourth in franchise history.

Surtain, who played four years at Southern Miss, was a second-team All-American and the Conference USA Defensive Player of the Year in 1997 and a first-team all-conference selection in 1996 and 1997. His 16 interceptions and 31 pass breakups rank third and fourth, respectively, on the school's career lists. He was a 2011 inductee into the Southern Miss Hall of Fame, was named to the Senior Bowl Hall of Fame in 2021 and was inducted into the Mississippi Sports Hall of Fame Class of 2023.

Originally from New Orleans, Surtain earned his bachelor's degree in coaching and sports administration from Southern Miss in 1998. He and his wife, Michelle, have three children, Patrick II, Paris and Parker.

TONY TOKARZ
QUARTERBACKS

Experience: 6th Season at FSU | 14th Season as collegiate coach
Hometown: Worcester, Mass. | Alma Mater: Worcester State, 2012
Family: wife, Emily; son, Bo; daughter, Griffey

Tony Tokarz is in his sixth season on FSU's staff and fourth as quarterbacks coach in 2025.

Tokarz has been instrumental in the progression of the quarterback room, and especially developing Jordan Travis into the ACC's 2023 Player of the Year and Offensive Player of the Year while also becoming the eighth player in program history to finish in the top-five of the Heisman Trophy vote. Travis, who was selected by the New York Jets in the 2024 NFL Draft, ended his career ranked in the top-15 in ACC history in rushing touchdowns by a quarterback, touchdown responsibility, passing efficiency, quarterback rushing yards and total offense.

The 2023 team completed a 13-0 regular season that culminated in the program's 16th ACC championship with a victory over No. 14 Louisville in the ACC Championship Game and earned a berth in the Orange Bowl behind an offense that led the conference in scoring for the second consecutive year. Florida State's 34.6 points-per-game average was bolstered by a program-record-tying 20 different players scoring at least one touchdown and ranked 19th overall in the country. The Seminoles also led the ACC with 61 total touchdowns scored, 32 rushing touchdowns and an average of 13.5 yards per completion while posting the conference's fewest interceptions thrown and total turnovers.

Travis concluded his remarkable career in 2023 by earning recognition across the country. In addition to his ACC honors, Travis was a finalist for the Manning Award and semifinalist for the Walter Camp Player of the Year, Maxwell Award, Davey O'Brien Award and Jason Witten Man of the Year. He finished the season 207-of-324 passing for 2,756 yards with 20 touchdowns while adding 176 yards and seven touchdowns rushing. Travis was one of only two players nationally with at least 20 touchdown passes and two or fewer interceptions, and he led the ACC with a pass efficiency rating of 154.5 and an average of 8.51 yards per pass attempt. He became the first player to lead the ACC in pass efficiency in back-to-back seasons since Trevor Lawrence, who was the No. 1 overall pick in the 2021 NFL Draft.

Travis broke FSU career records for touchdown responsibility and total offense during the 2023 season, and the record-breaking plays both came in pivotal moments. He moved past 2000 Heisman Trophy winner Chris Weinke to the top of FSU's touchdown responsibility list with the game-winning touchdown pass in overtime of Florida State's 31-24 win at Clemson that snapped the nation's longest conference home winning streak and surpassed Weinke on the program's total offense list with the go-ahead touchdown run in the fourth quarter of a 38-20 win vs. No. 16 Duke. Travis also broke FSU records by accounting for multiple touchdowns in 16 straight games and tied his program record by recording at least one passing and one rushing touchdown in four straight games. His 65 passing touchdowns tied for second in program history, and his 31 rushing touchdowns are fourth on FSU's career list. Travis, the only FSU player with more than 50 passing touchdowns and 12 rushing scores, had seven rushing touchdowns in four straight seasons, another program first.

Due to injuries, five Florida State quarterbacks started between the 2023 and 2024 seasons, including a true freshman in each of those seasons. Despite the setbacks at the position, the Seminoles completed an undefeated regular season and won the ACC Championship Game in 2023 with backup quarterbacks, one of only four teams in the country that season to have three different quarterbacks earn a win.

Freshman Brock Glenn made his first collegiate start in the ACC Championship Game win against No. 14 Louisville, becoming the only true freshman to make his first career start in a P5 conference championship game in records dating back to 2004. Glenn ended 2023 with a start against No. 6 Georgia and made his first start of 2024 versus No. 15 Clemson, the fourth quarterback in the Playoff Era to make his first three career starts against Top 15 opponents.

In 2024, Luke Kromenhoek joined Glenn as the only Florida State true freshmen quarterbacks to win their first career start when FSU beat Charleston Southern. Kromenhoek threw three touchdown passes, the most for an FSU true freshman in their first career start, including a 71-yard pass that was the second-longest for a true freshman in Florida State history.

In 2022, Tokarz's quarterbacks directed one of the most explosive offenses in the nation while helping lead FSU to a 10-3 record and a final ranking of No. 10 in the Coaches Poll and No. 11 in the AP poll. Florida State led the nation with its average of 7.46 plays of 20-plus yards per game, the program's highest season average since the 2013 national championship, and was third in the country with an explosive play rate of 17.15 percent. The Seminoles were one of two teams nationally to average at least 270 passing yards and at least 210 rushing yards per game in 2022. FSU also tied for the national lead with eight touchdown drives of 90-plus yards, and its 16 touchdown drives of 80-plus yards were third-most in the country.

The Seminoles led the ACC in third-down offense, yards gained per pass, yards gained per play, yards gained per rush, total offense per game, yards per completion, rushing offense per game and scoring offense per game. Florida State was the first team to lead the ACC in scoring and total offense in the same season since 2019 and was one of two teams nationally to lead its conference in yards per rush, yards per pass and yards per play in 2022.

During his first season leading the quarterbacks, Tokarz oversaw the continued development of Travis among the nation's elite while continuing to grow depth in the room. Travis was PFF's highest-graded quarterback in the nation and highest-graded offensive player in the ACC after passing for 3,214 yards with 24 touchdowns and only five interceptions while adding 417 yards and seven touchdowns rushing plus one receiving score. Travis, whose 32 total touchdowns were third-most in a season in FSU history, became the only Florida State player with 20 touchdown passes and seven rushing scores in one season.

Travis, who was named second-team All-ACC, joined Heisman Trophy winners Charlie Ward, Chris Weinke and Jameis Winston as the only FSU players with at least 3,000 total yards and 30 total touchdowns in a season. His 3,631 yards of total offense was the fifth-highest single-season total in FSU history, while his passing yards total was seventh and passing touchdowns were 10th. Travis led the ACC in yards per play, yards per pass attempt, yards per completion and pass efficiency rating. His average of 8.35 yards per play was third in the country, while his 9.10 yards per pass attempt was fifth nationally and his 14.22 yards per completion ranked eighth.

Travis peaked in his final appearance of the season, totaling an FSU bowl-record 468 yards of total offense in the Cheez-It Bowl victory over Oklahoma while garnering MVP honors. He completed a career-best 27 passes for a career-high 418 yards and two touchdowns and added 50 yards on seven rushes. Travis was only the fifth player in records dating back to 2000, and first since LSU's Joe Burrow in the CFP National Championship Game, to have 400 yards passing and 50 yards rushing in a bowl game. Travis also ended the regular season with a program-record streak of six consecutive games accounting for at least three touchdowns.

Redshirt sophomore Tate Rodemaker and true freshman AJ Duffy benefited from Tokarz's tutelage as well. Rodemaker led a second-half comeback at Louisville after Travis was forced from the game due to injury and was 6-for-10 passing for 109 yards and two touchdowns, including the game-winning score in the fourth quarter. In that game, Travis and Rodemaker became the first pair of FSU teammates with at least 100 yards passing and two touchdowns in the same game since 2005. Duffy played in three games and threw his first collegiate touchdown pass during FSU's 49-17 win over Louisiana.

Tokarz, who was FSU's senior analyst on offense for the 2020 and 2021 seasons, has been on head coach Mike Norvell's staff at both Memphis and Florida State. In addition to his time coaching quarterbacks, he also has experience coaching wide receivers and tight ends.

At Memphis, Tokarz was Norvell's tight ends coach in 2019 after two seasons as a graduate assistant. In 2019, the Tigers won a school-record 12 games and won the program's first outright conference championship since 1969. In 2018, Tokarz worked with running backs as Memphis had the country's fourth-best rushing offense with an average of 279.9 yards per game behind a school-record 3,919 total rushing yards and 48 touchdowns. Doak Walker Award finalist and unanimous All-American Darrell Henderson broke the NCAA record with an average of 8.22 yards per carry, and his 2018 average of 8.92 yards per carry was the highest for a season with a minimum of 200 carries in records dating back to 2000.

Tokarz's first stint at Memphis was in 2014 and 2015, working with the secondary and quarterbacks. He was the passing game coordinator and recruiting coordinator at Stonehill College in 2016.

Tokarz began his coaching career in 2012 at Anna Maria College, where he coached wide receivers. In 2013, he was the wide receivers coach at Stonehill College, helping the Skyhawks post their best record since 1996.

Tokarz was a three-year starting quarterback at Worcester State and left as the program's all-time leader in rushing yards by a quarterback while also ranking second in career touchdown passes and fourth in career passing yards. He was a first-team all-conference performer in 2011 when he led the Lancers to an 8-3 record, the program's most wins since 2003, and an appearance in the ECAC Northwest Bowl to cap his senior season.

Tokarz earned his bachelor's degree in history from Worcester State in 2012. He is married to the former Emily Williams, and they have two children, one son and one daughter.

ODELL HAGGINS

Associate Head Coach

32nd Season at FSU
Alma Mater: Florida State

Family: wife, Robin; daughter, Amelia Grace

After 31 years as a position coach at Florida State, Odell Haggins' role with the FSU football staff evolved for the 2025 season.

Haggins, who had been the associate head coach and defensive tackles coach since 2014, remains the associate head coach while taking a new role with a focus on impacting the entire program. He was the longest-tenured assistant coach at one institution in the country at the end of his assistant coaching career.

Haggins has helped FSU post a 279-113-1 (.713) record with 14 ACC titles and two national championships in his time on staff. In recognition of his many accomplishments at Florida State, he was inducted into the Florida State Athletics Hall of Fame class of 2018 and the Polk County Sports Hall of Fame in 2022.

Haggins twice served as interim head coach for the Seminoles and had a career record of 4-2 in that role. He led Florida State to bowl eligibility in both tenures as an interim head coach, taking over for the first time on Dec. 1, 2017, and defeating ULM 42-10 the next day as FSU clinched bowl eligibility for an NCAA-record 36th straight year. He then directed a 42-13 win over Southern Miss in the Independence Bowl to finish FSU's 41st consecutive winning season. He was named interim head coach again on Nov. 3, 2019, and led the Seminoles to wins over Boston College and Alabama State to return FSU to bowl eligibility.

Haggins repeatedly developed future NFL pros while at Florida State. He coached 22 defensive linemen selected in the NFL Draft, including first-round selections Brodrick Bunkley in 2006, Travis Johnson in 2005, Corey Simon in 2000 and Andre Wadsworth in 1998. Wadsworth was the No. 3 overall pick and remained the highest-drafted player in FSU history until 2015 when quarterback Jameis Winston was selected No. 1 overall. Haggins also coached second-round picks Braden Fiske, Eddie Goldman and Timmy Jernigan in addition to Pro Bowler Darnell Dockett as well as Larry Smith, Andre Fluellen, Jerry Johnson, Julian Pittman and Letroy Guion.

Haggins played in Tallahassee on the front end of Florida State's dynasty years, starring at nose guard for the Seminoles. FSU posted a 39-8-1 (.823) record with Haggins on the defensive line, and he was part of four bowl-winning teams. He earned Kodak, Walter Camp and UPI All-America honors as a senior in 1989.

A ninth-round pick in the 1990 NFL Draft by the San Francisco 49ers, Haggins went on to play for the Buffalo Bills during their 1991 Super Bowl season. Following a three-year NFL career, he returned to Florida State, completed his degree and joined Bobby Bowden's staff following the Seminoles' 1993 national championship season.

Haggins and his wife, Robin, have one daughter, Amelia Grace.

UNIVERSITY ADMINISTRATION

RICHARD McCULLOUGH
University President

Richard McCullough became the 16th president of Florida State University in August 2021, bringing more than three decades of academic leadership experience to the role. During his tenure, he has strengthened FSU's foundation as one of the nation's top public universities by investing in student and faculty success as well as academic and research excellence.

Since assuming the presidency, McCullough has recruited world-class faculty, staff, and administrators; grown the university's research portfolio; implemented a new structure to encourage entrepreneurial endeavors among students and faculty; cultivated relationships with elected officials and community leaders; enhanced fundraising efforts; and championed athletic success.

Under McCullough's leadership, Florida State University launched FSU Health — one of the most ambitious projects in the university's history — with a goal to improve health and health care throughout the region. FSU Health was initiated by a generous $125 million investment from the Florida Legislature to build a facility in Tallahassee, representing an academic health model combining education, research, and quality clinical delivery. Additional targeted investments have been secured to establish the Florida Institute for Pediatric Rare Diseases and Sunshine Genetics, groundbreaking initiatives that position Florida as a national leader in improving the lives of children and families affected by devastating rare diseases.

McCullough has committed to expanding FSU's impact and presence across Northwest Florida. FSU was awarded $98.4 million from the Triumph Gulf Coast Board to launch InSPIRE, a state-of-the-art facility and dynamic consortium that unites partners from industry, economic development, government, and academia to drive regional economic prosperity, provide leadership in U.S. manufacturing and aerospace, and promote national security.

McCullough also led efforts to secure record levels of support from the Florida Legislature, increase research expenditures to a record high of $461 million annually, invest more than $100 million into the emerging field of quantum science and engineering, streamline the process of moving research to the market, and broaden funding opportunities from the National Science Foundation and the State of Florida to support the FSU-headquartered National High Magnetic Field Laboratory — the largest and highest-powered magnet laboratory in the world and the only one of its kind in the United States.

He also expanded scholarships and programs for honors and first-generation students and implemented a comprehensive strategy that has led to record student retention and graduation rates that are among the best in the country, as well as student debt levels that are among the nation's lowest.

In addition, McCullough has overseen major capital projects, including the opening of the new Student Union, completion of the Interdisciplinary Research and Commercialization Building, and the construction of Legacy Hall — the new home of the College of Business and the largest academic space on the Tallahassee campus.

McCullough also was a national leader advocating significant reform in collegiate athletics, championing reforms that enhance student-athlete experiences, promote financial equity, and strengthen institutional competitiveness. He made major investments in athletics facilities, including stadium renovations and the construction of of the Dunlap Football Center, and launched women's lacrosse — FSU's 21st varsity sport. During McCullough's presidency, FSU teams captured 16 conference championships and two national titles, while student-athletes across all sports achieved the highest cumulative GPA in university history.

Before joining FSU, McCullough served as vice provost for research for 10 years and professor of materials science and engineering at Harvard University. He previously spent 22 years at Carnegie Mellon University, where he began his academic career as an assistant professor of chemistry and rose through the ranks to become the Thomas Lord Professor of Chemistry. He also served as the head of chemistry, the dean of science and the university's vice president for research.

McCullough is a first-generation college student who attended Eastfield Community College and subsequently earned a bachelor's degree in chemistry from the University of Texas at Dallas and a doctoral degree in organic chemistry from Johns Hopkins University. He completed a postdoctoral fellowship at Columbia University.

He has more than 110 publications, holds 16 U.S. patents, and is an entrepreneur who started two companies. He is a fellow of the National Academy of Inventors and was inducted into the Advanced Materials Journal Hall of Fame in 2021 and the Florida Inventors Hall of Fame in 2025. He also is the recipient of the Carnegie Science Center Award for Excellence as a Start-Up Entrepreneur.

McCullough and his wife, Jai Vartikar, have two sons and three granddaughters.

- *Number Retired Oct. 7, 1995*

Deion Sanders' place in the history of college football was immortalized over a five month period in 2011 when he was inducted into the NFL Hall of Fame in August and the College Football Hall of Fame in December. Sanders redefined the position of cornerback over his historic career winning the 1988 Jim Thorpe Award as a senior at Florida State and landing two-time consensus All-America honors. He left FSU second on the all-time interceptions list, first for career punt return yards and became one of college football's all-time brightest stars.

5 ■ JAMEIS WINSTON

- *Jersey Retired Nov. 18, 2023*

Jameis Winston authored the best season by a quarterback in Florida State history in 2013, leading Florida State to the third national championship in program history and a perfect 14-0 record. Along the way, Winston became the youngest player to win the Heisman Trophy, the first freshman to earn ACC Player of the Year honors and also took home the Davey O'Brien Award, Manning Award and was named Walter Camp Player of the Year. The Bessemer, Alabama, native set the national freshman record with 4,057 passing yards, added 40 passing touchdowns and led the nation with a 184.8 pass efficiency rating. Winston won his first 26 games as FSU's starting quarterback and led FSU to the first College Football Playoff as a sophomore in 2014. For his career, Winston passed for 7,964 yards (fourth in FSU history) and 65 touchdown passes (second) and his 163.28 career pass effiency mark ranked as the 10th-best in college football history at the end of his career. Winston became Florida State's first No. 1 overall NFL Draft pick in 2015 when the Tampa Bay Buccaneers selected him in 2015. Winston was inducted into the Florida State Hall of Fame as part of the 2025 class.

9 ■ PETER WARRICK

- Wide Receiver, 1996-99
- *Jersey Retired Sept. 3, 2018*

Peter Warrick was one of the most electrifying players to ever don the Garnet and Gold. During his four-year career, he helped lead the Seminoles to a 45-4 record and the 1999 national championship. Warrick was named MVP of the national title game victory over Virginia Tech after catching six passes for 163 yards and two touchdowns and adding another touchdown on a 59-yard punt return as FSU became the only team in college football history to go wire-to-wire as the AP No. 1-ranked team. Warrick was a two-time consensus All-American who still holds the FSU record with 32 career receiving touchdowns. His 3,517 career receiving yards were the most in ACC history and ranked second on FSU's all-time list. He was named the ACC Player of the Year in 1994 and was a finalist for the Butkus, Lombardi and Football Writer's Defensive Player of the Year Award in both 1993 and 1994. His accomplishments were even more impressive considering he suffered a potentially career-ending neck injury as a sophomore. Weinke's place among Florida State's all-time greatest players was recognized when his jersey was retired in 2001, at the time making it one of only seven retired numbers/jerseys in school history. His place among the ACC's all-time best was recognized when he was voted one of the 50 best players in the history of the conference.

17 ■ CHARLIE WARD

- Quarterback, 1989-93
- *Number Retired Dec. 15, 1993*

Charlie Ward began his senior season in 1993 chasing both the school's first national championship and the Heisman Trophy. Ward's passing and running skills were already well known qualities by 1993, but his inspired leadership and poise under pressure during his senior year elevated him to one of the game's all-time greats. So exceptional was Ward's command of the offense that coaches moved him into the shotgun to allow him to make adjustments during the play. Ward set 19 school and seven Atlantic Coast Conference records over his two years as the starting quarterback for the Seminoles. A consensus All-American, Ward won over 30 individual awards in addition to the Heisman. Dunn was the first Seminole ever to rush for over 1,000 yards in three consecutive seasons. His 3,959 career rushing yards broke Greg Allen's school record set in 1984. He also broke Allen's single-season rushing record when he ran for 1,242 yards as a junior in 1995. Dunn has the record for most touchdowns scored in a career with 49 over four seasons and rushed for over 100 yards more times (22) than any player at FSU. A dominating nose guard and the Tribe's first two-time consensus All-American, Simmons seemed to camp out in opponents' backfields. He totaled an FSU record 25 quarterback sacks and 44 tackles for loss — a mark that held top ranking at FSU for 23 years. He was the first Seminole defender to have his number retired.

Weinke set both the Florida State and Atlantic Coast Conference record for career passing with 9,839 career passing yards and would set 26 school records during his career. His 79 career touchdown passes ranked as the 12th best performance in NCAA history and his career passing yards placed him at 18th on the NCAA's all-time list. Weinke owned the first, second and fourth best passing games in FSU history headlined by a school-record 536 passing yards against Duke in 2000. Weinke also won the Davey O'Brien and Johnny Unitas awards as a senior signifying his selection as the nation's best quarterback. 2013

JAMEIS WINSTON

- Quarterback
- 2013-14

2013 HEISMAN TROPHY WINNER

The dazzling playmaker and charismatic leader authored the greatest freshman season by a quarterback in college football history by leading Florida State to a 14-0 record and the 2013 VIZIO BCS National Championship. In the process, Winston became the youngest player ever to win the Heisman Trophy at 19 years, 342 days and just the second freshman. In addition, Winston captured the Davey O'Brien Award, the Manning Award and the Walter Camp Player of the Year Award while earning Consensus All-America accolades. The Bessemer, Ala., native became the first freshman to collect the ACC Player of the Year honor in the 61-year history of the conference and also nabbed the league's ACC Offensive Player of the Year and ACC Offensive Rookie of the Year trophies. Winston elevated his performance when the stakes were highest, too. He was named Offensive MVP of the BCS National Championship Game after leading the Seminoles to a 34-31 come-from-behind victory over No. 2 Auburn in the Rose Bowl in Pasadena. The Seminoles trailed by 18 points (21-3) late in the second quarter to complete the largest comeback in the game's history. Winston clinched the victory by engineering the game-winning seven-play, 80-yard drive that started with just 1:11 remaining in the game and FSU trailing 31-27 and ended with a two-yard touchdown pass to Kelvin Benjamin to give FSU the lead with 13 seconds left. Winston shattered the ACC record, Florida State record and national freshman record for touchdown passes (40) and broke the national freshman record for passing yards (4,057), while leading the nation and setting the ACC record for pass efficiency rating (184.8). Over his two-year career, Winston passed for 7,964 yards (third in FSU history) and 65 touchdowns (second in FSU history), while compiling a 26-1 record. His career pass efficiency mark (163.28) ranked as the 10th-best in college football history and is the FSU and ACC record. Winston won his first 26 starts - a feat unmatched by major NCAA Division I quarterbacks all-time and had five fourth-quarter comebacks in his career, including a nation-leading four in 2014. He was also a valuable member of Florida State's nationally-ranked baseball team for two years as a pitcher and an outfielder, serving as the closer in 2014.

- 1985-88

1988 JIM THORPE AWARD WINNER

One of the best athletes ever to wear a Florida State uniform, cornerback Deion Sanders won the Jim Thorpe Award as the top defensive back of 1988.

In his junior and senior seasons, FSU went 11-1 with a pair of New Year's Day bowl wins. In 1988, Sanders ranked in the top 10 nationally with five interceptions in nine games. He was the nation's top punt returner, averaging 15.2 yards per return.

A three-sport star in football, baseball and track at Florida State, Sanders was the fifth pick in the 1989 NFL draft by the Atlanta Falcons. He became a successful two-sport pro — elected to the Pro Bowl seven times in football and started in centerfield for the Atlanta Braves and the Cincinnati Reds. He was inducted into the Pro Football Hall of Fame and the College Football Hall of Fame in 2011.

TERRELL BUCKLEY

- Cornerback
- 1989-91

1991 JIM THORPE AWARD WINNER

In 1991, Terrell Buckley capped the best season ever by a Florida State cornerback by becoming the second Seminole ever to win the Jim Thorpe Award. A junior, Buckley blew away the Florida State record for interceptions with 12 in 1991. He intercepted passes in eight of FSU's 12 regular season contests to lead the country in pickoffs. Against Michigan in Ann Arbor, his interception and 40-yard return for a touchdown on the game's first play set the stage for a 51-31 Florida State win. A native of Pascagoula, Miss., Buckley also demolished the Florida State career record with 21 INTs in just three seasons. His 501 career return yards broke an NCAA record that had stood since 1974. Following the year, Buckley entered the NFL draft and was selected by the Green Bay Packers with the fifth pick in the first round. He's been named one of the Top 100 Greatest College Football Players of all-time by CollegeFootballNews and named one of Sports Illustrated's Ten for the Ages' Defensive Back Game Breakers of all-time in college football. Buckley's FSU jersey No. 27 was retired in 2011.

BUTKUS AWARD

PAUL McGOWAN

- Inside Linebacker
- 1984-87

1987 BUTKUS AWARD WINNER

Calling the Butkus Award for linebackers, "The Heisman of the Bad Guys," FSU inside linebacker Paul McGowan accepted the award from Dick Butkus himself in December of 1987.

The 6-1, 230-pound McGowan won the award by a one-point margin over Ohio State's Chris Spielman. McGowan won the award based on a senior season in which he totaled 150 tackles, including 97 solo stops and 11 behind the line of scrimmage. He was named to the Associated Press, Sporting News and Football News first team All-America squads.

MARVIN JONES

- Inside Linebacker
- 1990-92

1992 BUTKUS AWARD WINNER

The top player in the nation in 1992, Marvin Jones became the first Seminole to capture two national awards in the same year when he earned both the Butkus Award for linebackers and the Lombardi Award for linemen and linebackers following his junior season.

Florida State's third two-time consensus All-American, Jones tallied 111 tackles and seven tackles for a loss in 1992 while leading the Seminoles to an 11-1 record. He made 10 or more tackles in nine games and finished fourth in the balloting for the Heisman Trophy.

He finished his career seventh on FSU's career tackle chart with 369 and third on the all-time list with 28 tackles for loss. A first team All-ACC choice out of Miami, Fla., Florida State tailored its nationally-ranked defense to Jones' strength in 1992.

Jones left Tallahassee for the NFL after his junior season, and at the time, was the highest Seminole draft choice when he was selected fourth overall by the New York Jets.

LOU GROZA AWARD

The Lou Groza Award recognizes the top placekicker of the year and is presented by the Palm Beach County Sports Commission

His 123 points were the most scored in a single season by a kicker in FSU or ACC history. He matched Bill Capece's Florida State record for field goals in a game by booting five at Maryland in 1998 and vs. NC State in 1999. His 53-yard field goal against Clemson tied for the third longest in Seminole history and he kicked 10 of 40 yards or more. He was named first team Associated Press and Football Writer's All-America along with earning first team All-ACC honors.

ROBERTO AGUAYO

- Placekicker
- 2013-15

2013 LOU GROZA WINNER

Roberto Aguayo became the third Seminole to win the Lou Groza Award after his record-breaking redshirt freshman season in 2013. Aguayo collected several All-America honors and All-ACC accolades while breaking the national record for points by a kicker in a season with 157 points. During Florida State's undefeated national championship run, Aguayo outscored eight the Seminoles' 14 opponents. He made 115 of his 116 kicks, including a perfect 94-94 on extra point attempts to set the FBS record for most extra points made in a season without a miss. His 94 extra points also set new ACC and FSU records. Aguayo led the nation in scoring average per game (11.2 ppg) among kickers and ranked third overall. He converted the first 70 kicks of his career - 12 field goals and 58 PATs - setting a new FSU record for consecutive kicks made to begin a career. Aguayo drilled 21 of his 22 field goal attempts, including a career-long 53-yard field goal against Syracuse.

Aguayo nearly joined Sebastian Janikowski as the second two-time winner of the Groza Award in 2014, finishing as one of three finalists for the award during a season where he captured consensus All-America honors and made 27 of 30 field goals and all 55 of his extra point attempts.

He became the most accurate kicker in NCAA history in 2015, finishing his career converting 48 of 52 field goals, while never missing an extra point.

GRAHAM GANO

- Placekicker
- 2005-08

2008 LOU GROZA WINNER

Graham Gano brought home the third Lou Groza Award in school history in 2008. That season Gano finished first in the FBS for field goals made, percentage of field goals converted and 50-yard field goals made. He was one of only two kickers in college to make over 90% of his field goal attempts that season and he was the highest scoring kicker in America. Gano was a Rivals.com, Scout.com and CBS Sports first team All-American, a Walter Camp, Associated Press, Sporting News, SI.com and Phil Steele second team All-American. He also earned All-ACC First Team honors.

Gano was the first kicker in FSU history to convert over 90% of his field goals in a season. He is the Seminoles single season record holder for 50 yard field goals and he finished second for career 50-yard field goals at FSU despite kicking for just one season. At one point in 2008 Gano made 18 consecutive field goals covering 55 days after missing his first career field goal attempt against Wake Forest. He also made five straight attempts from 50 yards or longer.

Winston clinched the victory by engineering the game-winning seven-play, 80-yard drive that started with just 1:11 remaining in the game and FSU trailing 31-27 and ended with a two-yard touchdown pass to Kelvin Benjamin to give FSU the lead with 13 seconds left. Winston shattered the ACC record, Florida State record and national freshman record for touchdown passes (40) and broke the national freshman record for passing yards (4,057), while leading the nation and setting the ACC record for pass efficiency rating (184.8).

PRO FOOTBALL HALL OF FAME

Five former Seminoles have been selected for the Pro Football Hall of Fame after defensive back LeRoy Butler was enshrined in 2022.

Butler joined Walter Jones and Derrick Brooks (both inducted in 2014), Deion Sanders (2011) and Fred Biletnikoff (1988) as the Seminoles that most excelled in the National Football League.

Florida State's four Hall of Fame inductees since 2011 are tied for second in the country. The Seminoles five total Hall of Fame inductees are the second-most in the state of Florida, the fourth-most among current teams in the Atlantic Coast Conference and tied for 13th among all colleges nationally.

FSU IN THE ALL-TIME BCS/CFP WEEKLY RANKINGS

FLORIDA STATE IN THE ALL-TIME BOWL CHAMPIONSHIP SERIES STANDINGS (1998-2013)

From 1998 to 2013, the Bowl Championship Series produced rankings used to identify the two teams that would play in the BCS National Championship at the end of the season after the other bowl games. The BCS relied on a combination of polls and computer selection methods to determine relative team rankings to narrow the field to two teams in order to crown an undisputed national champion. The BCS also selected matchups for the other BCS bowl games. The BCS was discontinued in 2013. Florida State appeared in the first three BCS National Championship games (1998, 1999, 2000), winning the second in 1999. The Seminoles won the final BCS National Championship in 2013.

FLORIDA STATE IN THE ALL-TIME COLLEGE FOOTBALL PLAYOFF RANKINGS (2014-PRESENT)

The College Football Playoff began in 2014 and was created to select the four best teams to play for the CFP National Championship. A selection committee ranks teams based on conference championships won, strength of schedule, head-to-head results, comparison of results against common opponents and other factors. The current playoff format features 12 teams, with first-round games being played on campus. The Cotton, Fiesta, Orange, Peach, Rose and Sugar Bowls rotate the quarterfinal and semifinal games before a National Championship game is played at a neutral site.

Florida State played Oregon in the first-ever College Football Playoff Semifinal on Jan. 1, 2015 at the Rose Bowl. The Seminoles have appeared in three additional "New Year's Six" bowl games, facing Houston in the 2015 Chick-fil-A Peach Bowl, defeating Michigan in the 2016 Orange Bowl and returning to play Georgia in the 2023 Orange Bowl.

YEAR-BY-YEAR RESULTS

ED WILLIAMSON (1947) 0-5-0

Ed Williamson was appointed Florida State's first coach just a few weeks before the inaugural football season. He had no stadium, no scholarships and no team name. With only 45 ex-high school players, his teams came close to winning three games that year, although it finished 0-5. Williamson was not paid for coaching the team.

DON VELLER (1948-52) 31-12-1

Don Veller won 30 of his first 34 games as head coach at FSU before the Seminoles began playing a major college schedule. His overall record included an undefeated (8-0) season in 1950, the year the Tribe moved into Doak Campbell Stadium. Veller owns the second highest winning percentage of FSU coaches (.716). He is credited with laying the early foundation for the FSU football program.

TOM NUGENT (1953-58) 34-28-1

Tom Nugent had a successful coaching stint at Florida State, as indicated by his 34-28-1 record in six years at the Seminole helm. Florida State participated in two bowl games during Nugent's tenure and his 1958 squad was the first FSU team to play Florida. Nugent also served as athletic director while head coach of the Seminoles.

BILL PETERSON (1960-70) 62-42-11

Bill Peterson took over a football program in deep trouble in 1960. When he left, 11 years and four bowl games later, he had become the most significant coach in the first 25 years of Florida State football. Under "Pete," the Seminoles went 62-42-11. The most memorable Peterson year was 1964, when the "Seven Magnificents" led Florida State to a 9-1-1 record and FSU's first ever win over Florida.

LARRY JONES
(1971-73) 15-19-0

Larry Jones compiled a 15-19 record in three years as the Seminole head coach. In his first two seasons, the popular coach led his teams to a 15-8 record; but he is probably remembered most for the 1973 campaign, when his team did not win a game.

DARRELL MUDRA
(1974-75) 4-18-0

Darrell Mudra was a successful coach before arriving at Florida State, and he was successful after he left. So much so that he was inducted into the College Football Hall of Fame in 2000. Mudra coached from the press box instead of the sidelines.

BOBBY BOWDEN
(1976-2009) 316-97-4*

Bobby Bowden spent 34 years at the helm of the Seminole program that he resurrected beginning in 1976. By far the winningest coach in school history, Bowden accumulated more wins than the previous seven head coaches combined. He finished his career as major college football's all-time second-winningest coach. Bowden took the Florida State program to the top of the college football world and won two national championships (1993, 1999). Bowden's Seminoles were one of the most dominant bowl teams ever, posting a 21-9-1 record with NCAA records for consecutive bowl wins (10) and consecutive bowl appearances without a loss (14). Bowden is the only coach in the history of college football to lead teams to 10 or more wins over 14 straight seasons. He is also the only coach ever to lead his team to 14 straight finishes among the Associated Press Top Five.

** Due to sanctions imposed on Florida State by the NCAA, the NCAA recognizes Bowden with 377 overall victories and 304 wins at FSU.*

JIMBO FISHER
(2010-17) 83-23-0

Jimbo Fisher led the Florida State program for nearly eight full seasons. He finished his career with five bowl wins, including the 2013 National Championship and two Orange Bowl titles. He earned the highest winning percentage in ACC history (.783) and his 78 wins in his first seven years were the most by a Power Five coach through their first seven seasons in modern history. Fisher guided the Seminoles to three consecutive ACC championships from 2012-2014, winning a school- and ACC-record 29 straight games in the process. In 2013, Fisher planted the Seminoles back at the top of the college football world, leading Florida State to a 14-0 record en route to the final national championship of the BCS era.

WILLIE TAGGART
(2018-19) 9-12-0

Willie Taggart returned to his home state when he was named Florida State's 10th full-time head coach on Dec. 5, 2017. The Palmetto native guided FSU through a transition in 2018 with 25 student-athletes making their collegiate debut and 19 starting as a Seminole for the first time. That year, FSU beat a ranked team for the first time since 2016. His tenure ended nine games into the 2019 season with the Seminoles holding a 4-5 record.

(2020-Present) 33-27-0

Mike Norvell was named Florida State's 11th full-time head coach on Dec. 8, 2019. In his first season, he led the youngest team in the country through a year impacted by the global COVID-19 pandemic, and he became the only coach in ACC history to beat a top-5 team in his first season. In year three, he led the Seminoles to their 25th 10-win season and a bowl victory over Oklahoma before springboarding that into a perfect 13-0 regular season and the program's 16th ACC title in 2023.

FIRST-CLASS FACILITIES

ALBERT J. AND JUDITH A. DUNLAP FOOTBALL CENTER

Opening for the 2025 season, the Dunlap Football Center will become the year-round home to FSU Football. The new 150,000-square-foot building will be connected to the Dunlap Athletic Training Facility and include locker rooms, a spacious weight room, athletic training and hydrotherapy areas, offices for coaches and staff, team auditoriums and position meeting rooms, player lounge and conference room, nutrition stations, recovery and rehabilitation resources, video production space, a multi-purpose area, a recruiting center and more.

FSU's two outdoor fields (the Al Dunlap Football Practice Fields) outside of the facility also were updated and feature a new tower between fields for video and viewing purposes. Much of the project was funded by donations, including a $20 million lead gift by Al and Judy Dunlap. Al and Judy Dunlap's lifetime giving to Florida State University exceeds $40 million.

ALBERT J. DUNLAP ATHLETIC TRAINING FACILITY

Florida State unveiled its indoor practice facility in 2013, which allows the Seminoles to practice year-round in state-of-the-art championship facilities without disruptions from inclement weather conditions. The 92,000-square-foot facility features a 120-yard artificial turf field and connects to the brand-new Dunlap Football Center. The facility is climate controlled and includes platforms that allow for multiple video angles to be shot during practices. The field resembles Bobby Bowden Field inside Doak Campbell Stadium and includes garnet end zones.

AL AND JUDY DUNLAP

ALBERT J. AND JUDITH A. DUNLAP CHAMPIONS CLUB

The Dunlap Champions Club occupies the south end zone of Doak Campbell Stadium, offering outdoor seating for 3,500 fans on game day across its 4th to 6th floors. Exclusive features of the Dunlap Champions Club include private loge boxes and various unique seating experiences as well as a dedicated entrance with elevator access, air-conditioned lounge areas, complimentary catered meals and non-alcoholic beverages, private restrooms, comfortable padded stadium seating, and fully stocked bars.

A new Dunlap Champions Club experience will be unveiled as part of the larger Doak Campbell Stadium renovations in 2025.

FIRST-CLASS FACILITIES

THE MOORE ATHLETICS CENTER

The main hub on game day for FSU football and the home for Florida State's Department of Athletics is the Moore Athletics Center, which is adjacent to Doak S. Campbell Stadium in the north endzone.

The four-story state-of-the-art building includes the locker room, weight room, athletic training and rehab facility, tutorial and study hall space, computer labs for student-athletes, multi-purpose theater for meetings, press conferences and symposiums, classrooms and a dining facility with a full service kitchen and a mailroom. It's also the perfect hub of life for FSU's 500-plus student-athletes.

It's also home to the athletics administration and support staff housing the executive staff, business office, computer information services, coaches' video, Seminole Productions, college of communication faculty offices and student edit rooms, academic support, student services, compliance, public relations, Unconquered Media, marketing and promotions, facilities and event management.

The main level showcases Florida State's talented student-athletes with wall-to-wall vibrant memories of historic Seminole seasons and athletic achievements, including the 1993, 1999 and 2013 football national championships as well as FSU's three Heisman Trophy winners.

THE FLAUMENHAFT FAMILY LOCKER ROOM

The Flaumenhaft Family Locker Room was unveiled to the Florida State football team in spring of 2022. The redesign, which was done by Populous, a global leader in sport and live entertainment venue design, began immediately after the 2021 season concluded and featured a complete reimagining of the existing locker room space as well as the display areas and field entrance.

The FSU Football Locker Room Renovation was a complete redesign of the existing space and surrounding areas leading to the field. All areas were completely demolished and reconstructed with specialty graphics, branding and lighting, along with flat screen monitors and new lockers with individualized player graphics. A trophy room was added to display the rich tradition of the program and celebrate years of success with national championship, conference championship and bowl trophies as well as a unique display of football rings. Former players are also recognized through graphics on locker end-caps as well as an All-American wall display in the entryway to the locker room.

Upgraded audio and video technology elements were also part of the renovation. Club-quality speakers and specialized lighting throughout the space are synchronized from the locker room through entry corridors and out through the new Hype Tunnel to energize the space and the players on their way to the playing field.

The Hype Tunnel, which debuted for the 2021 season, features synchronized lights and music as the team makes its way to enter Bobby Bowden Field.

UNCONQUERED HALLWAY

The Unconquered Hallway is the permanent home for individual and team trophies won throughout Florida State's illustrious history. The space displays FSU's three Heisman Trophy winners as well as other individual national award winners. An interactive display for all the national award winners also is housed in the space.

PLAYERS LOUNGE

Florida State football's one-of-a-kind 6,000-square foot players lounge debuted in January 2016. The Seminoles' players lounge features four 75-inch TVs, gaming systems, multiple arcade games and one very large 50-yard line marker on the ceiling. There are multiple living-room style seating areas, pool tables, ping pong tables and an air hockey table. There's multiple Pop-A-Shot basketball games and a football toss game.

In addition to room-wide surround sound, cell-phone charging stations and a nutrition counter, there are Garnet and Gold flourishes found in nearly every inch of the lounge.

Foosball, pool tables and ping-pong tables feature emblazoned FSU logos and wordmarks, and arcade basketball games are adorned with photos of Osceola and Renegade. Oversized versions of the Seminole head logo and spear, complete with crisp backlights, hang from the walls.

SOD CEMETERY

Florida State's sod cemetery holds chunks of the field from 114 great Seminole wins away from home.

7

Spanning more than seven decades, "sod games" and the Florida State University Sod Cemetery have been a rich part of the Seminoles college football history, commemorating many of the greatest victories.

1962

In 1962, as the Seminoles completed their Thursday practice in preparation to face Georgia at Sanford Stadium, Dean Coyle Moore – a long-time professor and member of FSU's athletic board – issued a challenge: **"Bring back some sod from between the hedges at Georgia."**

OCT. 20 - FSU 18, GEORGIA 0

On Saturday, October 20, the Seminoles scored an 18-0 victory over the favored Bulldogs. Team captain Gene McDowell pulled a small piece of grass from the field, which was presented to Moore at the next football practice. Moore and FSU coach Bill Peterson had the sod buried on the practice field as a symbol of victory. A monument was placed to commemorate the triumph and the tradition of the sod game was born.

ON THE ROAD: UNDERDOG, UF, ACC TITLE, BOWLS

Before leaving for all road games in which Florida State is the underdog, all road games at the University of Florida and all ACC championship and postseason games, Seminole captains gather their teammates to explain the significance of the tradition. **Victorious** captains return with a piece of the opponent's turf to be buried in the Sod Cemetery inside the gates of the practice field.

Away from home and against the odds, Florida State sod games represent the most difficult battles on the football field. The Sod Cemetery stands as a tribute to those triumphs, to be enjoyed by the Seminole faithful.

OSCEOLA & RENEGADE

THE GREATEST TRADITION IN COLLEGE FOOTBALL

The greatest spectacle in college football unfolds moments before kickoff at Doak Campbell Stadium when Osceola charges down the field aboard Renegade, a beautiful Appaloosa, and plants a flaming spear at midfield prior to each home game. This tradition is a tribute to the great Seminole Tribe of Florida.

The tradition was born on Sept. 16, 1978, when a student, portraying the famous Seminole warrior Osceola, led the football team from the tunnel riding a horse as the Seminoles headed into battle against Oklahoma State. The first student to portray Osceola was Jim Kidder riding Renegade I. Since then, six different Renegades and 17 different riders have made the ride and planted the spear, which brings the game day crowd to its feet. In 2018, the tradition of Osceola and Renegade celebrated 40 years, including the 250th spear plant, and the 17th Osceola taking the field aboard Renegade.

Bill Durham, a 1965 FSU graduate, developed the concept of the Osceola and Renegade tradition. He launched the tradition at Florida State University in 1978 after obtaining permission from the Seminole Tribe of Florida. The Durham family provides the beautiful Appaloosa horses involved with the program and has directed the Osceola and Renegade program since its inception with the assistance of the members of the Renegade Team. The regalia used by Osceola is designed for authenticity and approved by the Seminole Tribe of Florida.

Prior to the 2011 season, ESPN's *SportsNation* voted Osceola and Renegade the best NCAA Football Tradition in the country. A framed rendering of the spear plant was presented to the Durham family during the Oklahoma game on Sept. 17, 2011. That rendering now resides in the Moore Athletics Center.

In 2013, Osceola and Renegade made their second appearance at a National Championship Game, traveling to the Rose Bowl in Pasadena, California, to watch the Seminoles claim their third national title. Osceola and Renegade also appeared at the Orange Bowl where Florida State won its first national championship to cap the 1993 season.

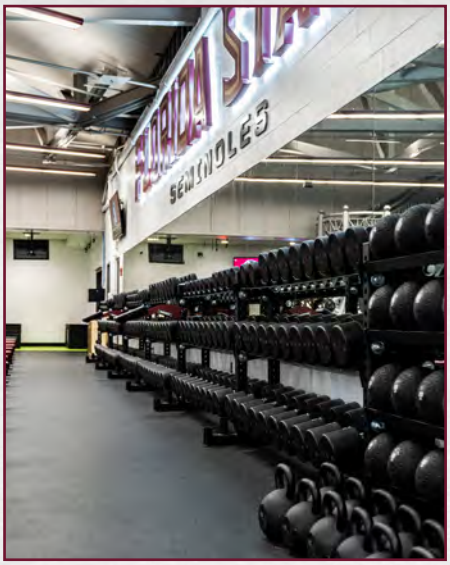
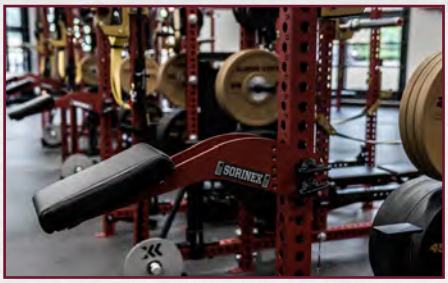
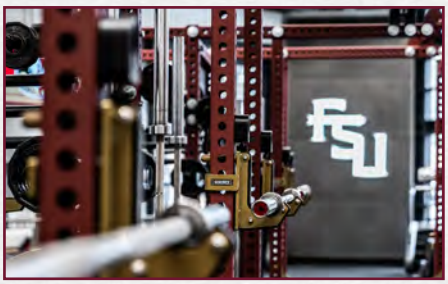
STRENGTH & CONDITIONING

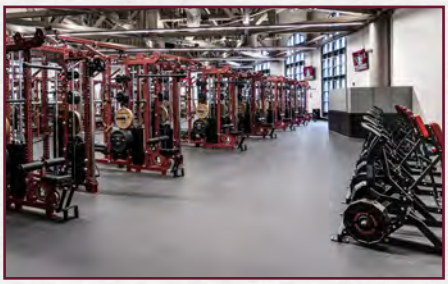
THE ROGER HOLLER CHAMPIONS TRAINING COMPLEX

The goal of the Seminole Strength program is to safely, effectively and efficiently prepare our student-athletes for the rigors of football. The Roger Holler Champions Training Complex was upgraded during the 2021-22 academic year to better serve the needs to FSU student-athletes, including all new Sorinex products. FSU has five Strength and Conditioning professionals all certified by the NSCA and the CSCCa who dedicate all of their time to football student-athletes.









PERFORMANCE NUTRITION

MISSION STATEMENT

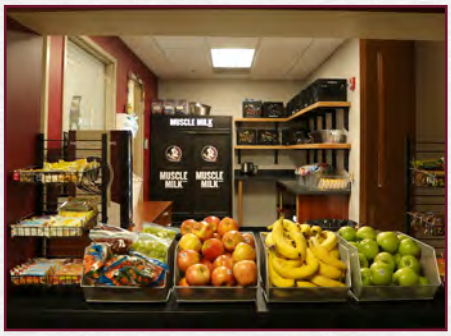
Our mission for the Performance Nutrition Program at Florida State University is to provide evidence-based nutrition services that will maximize the performance of our student-athletes on and off the field of play. We strive to provide nutrition that ensures maximal athletic performance as well as comprehensive nutrition education that the student-athlete can utilize throughout their lifetime.

"THE MISSING LINK"

Nutrition can often times be the "missing link" for athletes in their training. Proper nutrition can help prevent injury, enhance the benefits of strength training programs and aid in the recovery process. Adequate fueling can turn an elite athlete into a champion.

NUTRITION EDUCATION

Every interaction is an opportunity to educate the student-athletes on how to properly fuel themselves. We provide team talks, cooking classes, handouts and one-on-one counseling to provide strategies to prepare student-athletes not only for athletic success, but to educate them for life after football.



FUELING THE ATHLETE

The performance nutrition staff offers a variety of different options for student-athletes to properly fuel themselves for their performance. We provide pre/post workout nutrition tailored to the needs of each student-athlete. The sports nutrition staff also provides nutrition around competition, on the road traveling and meal planning.

SPORTS MEDICINE

The Don Fauls Athletic Training Facility was completed in 2004 and serves as the centerpiece for the daily healthcare needs of Seminole football student-athletes as well as the student-athletes for all 20 of FSU's intercollegiate teams. This 15,000 square foot facility provides FSU student-athletes with access to virtually any needed avenue of health care through the many amenities in place in the facility, as well as through the network of team and supporting physicians. Seminole football student-athletes come here to receive care for any and all types of health-related issues.

BACK ON TRACK

Seminole football student-athletes are also able to receive the very best in recovery and rehabilitation of injuries with the guidance of the Sports Medicine staff of four full-time Licensed and Certified Athletic Trainers, one of whom is also a Licensed and Certified Physical Therapist, as well as two Certified Athletic Trainer Graduate Assistant interns. At their disposal are a wide variety of tools to assist in rehabilitation including a Biodex System 3™ Iso-Kinetic exercise and testing system and an AlterG® Anti-Gravity Treadmill®.

THE NECESSARY STEPS

With the goal of injury prevention, Seminole football student-athletes are screened for mobility and stability deficiencies using the Functional Movement Screening™ and Selective Functional Movement Assessment™. The athletic training staff takes all the proper precaution before practices and games in preparing players for competition on the field.

EVERYTHING THAT YOU NEED

The Don Fauls Athletic Training Facility has multiple physician examination rooms, equipped with current medical database record keeping systems, extensive medical supplies and a Fluroscan C-Arm system for providing on-site assessment of fractures and dislocations.

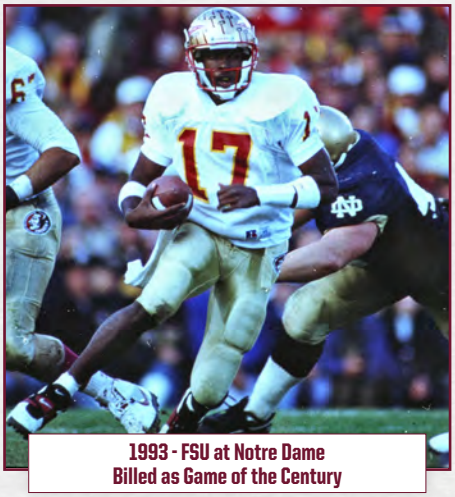
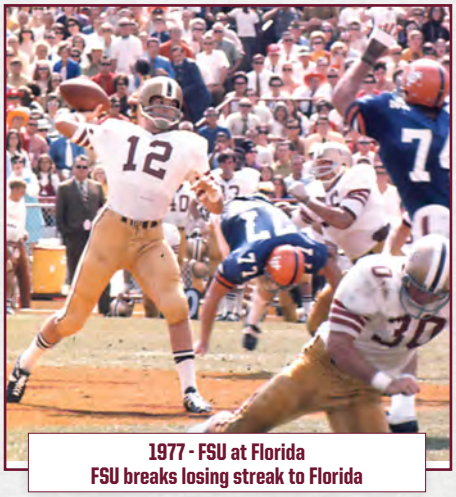
HISTORY OF FSU FOOTBALL



1993 - FSU at Notre Dame
Billed as Game of the Century



1977 - FSU at Florida
FSU breaks losing streak to Florida

1851

Florida State University actually began in 1851 when a legislative act established the Seminary West of the Suwannee. The first students enrolled in 1857 and the Florida State College was co-educational until 1905 when the Buckman Bill sent all the female students to the "new" Florida State College for Women. The huge numbers of male college students wishing to enter school on the G.I. Bill after World War II forced the legislature to make FSU co-educational in 1946.

1902-04

Thirty-three years after Princeton and Rutgers kicked off American college football, the Florida State College played three seasons of football in Tallahassee. From 1902-1904, FSC played wearing the colors purple and gold. The 1904 squad was crowned state champions after defeating the University of Florida at Lake City and Stetson.

1946

Florida State University became a co-educational institution in 1946 when the first male students were enrolled, most of whom were coming back from World War II. The transition from FSCW, which was regarded as one of the nation's top colleges, to the new institution was remarkably quick and the development of an athletics program was almost as rapid.

1947

Florida State University fielded a football team in 1947 coached by Ed Williamson. On October 18, 1947, Stetson kicked off to the FSU three yard line. Don Grant returned the kickoff to the FSU 32 and 7,165 fans at Centennial Field celebrated the first football game. The team finished 0-5.

1948

Don Veller became FSU's second football coach in 1948 and would coach the team until 1952. An outstanding player at Indiana University, Veller inherited 20 lettermen from the first year, but only 12 would letter in 1948. Veller would lose just two games over his first three years, including an undefeated 8-0 campaign in 1950.

1950

Florida State played its first football game in Doak S. Campbell Stadium on Oct. 7, 1950 against Randolph Macon. 9,676 fans watched the Seminoles win 40-7, but the new home field was a story in itself. It was built on a former cow pasture and was completed in just five months. Tallahassean Rainey Cawthon was instrumental in selling over 1,000 season tickets at $50.00 each to fund the stadium and won a wheelbarrow ride down Monroe Street from contractor Red Coleman, who missed the completion date by two days. FSU players painted the stadium over the next summer for $1 per hour.

1953

Tom Nugent became FSU's third head coach in 1953 and would coach the Seminoles until leaving to become Maryland's head coach in 1958. An innovator on a national level, **Nugent developed the I-formation and the typewriter huddle**. Among the players he coached were FSU greats Bobby Renn and Lee Corso as well as a talented tailback named Burt Reynolds whose career was cut short by injury.

1960-70

Florida State's arrival on the national map occurred during Bill Peterson's 11 seasons as head coach. He came in 1960 when free substitution was still five years away in the game. He moved FSU boldly into the forefront of the passing game and led the Tribe to its biggest win yet when they topped No. 5 Kentucky 48-6 in 1964. He would post a 62-42-11 record in Tallahassee. Among a host of other things, Peterson developed the concept of the "hot receiver" in 1964 that remains in most offenses today.

1964

Fred Biletnikoff became FSU's first consensus All-American as a senior in 1964. He ranked fourth nationally with 57 receptions for 11 touchdowns which did not include his four touchdowns in the Gator Bowl win over Oklahoma. Biletnikoff put FSU on the map and he was married under the goalposts at Doak Campbell in 1965. He would go on to have a Hall of Fame career with the Oakland Raiders. The national award given to the top college receiver in the country is named after him.

1966

Ron Sellers began a career at Florida State that would prove one of the **most prolific in college history**. He gained an unheard of 3,979 yards over his career. His statistics were so impressive that most lasted as national records all the way until 1987. He caught passes in 30 consecutive games and averaged 119.9 yards per game. He is a member of the College Football Hall of Fame.

1970

While integration of schools throughout the country came painfully slow, **Florida State's first African-American player took the field in 1970**. J.T. Thomas was a starter from the first game he played at FSU and he backed a sterling college career with three Super Bowl rings earned as a member of the Pittsburgh Steelers.

1971

Larry Jones coached the Seminoles from 1971-1973. An 0-11 campaign in his last year spelled the end for the coach. Among notable players during his era were outstanding wide receiver Barry Smith, quarterback Gary Huff and Alabama transfer Billy Sexton.

1974-75

Darryl Mudra coached the Seminoles for two seasons and did his work from the pressbox on game day. Perhaps the biggest accomplishment of Mudra's brief tenure, that included the **NCAA mandated scholarship limits for the first time**, was the signing of an unheralded running back named Larry Key. Key would prove to be one of the finest running backs in Seminole history.

1976

FSU president Stanley Marshall and athletic director John Bridgers set up a dinner meeting at an airport hotel in Tampa where West Virginia head coach Bobby Bowden was coaching an all-star game known as the American Bowl. They offered him a four-year contract worth $37,500 and he became the Seminoles' eighth head coach on Jan. 12. Bowden was interviewed for the job six years earlier when it went to Larry Jones, but FSU officials felt he lacked the experience.

DID YOU KNOW?

Scholarships In '51

It was not until 1951 that Florida State began to grant athletic scholarships and the move put added pressure on the program to win. FSU left the Dixie Conference and petitioned for membership in the Atlantic Coast Conference and the Southeastern Conference but were rebuffed. Interestingly, it was the University of Florida that sponsored FSU for admission to the SEC.

Seminoles First To Score Two

The late Vic Prinzi, who is a member of the Florida State Hall of Fame and was the color commentator for the radio network until his death in 1997, was **the first college player ever to score a two-point conversion**. On Sept. 13, 1958, the Seminoles took the season-opening drive of the Tennessee Tech game in for a touchdown and Prinzi, playing quarterback, ran in the two-point conversion to beat the other national games by just minutes.

Football Since 1902 Actually

Florida State College actually played football during the 1902-1904 school years and played it well. The first game in 1902 was a 5-0 win over South Georgia Military on Nov. 21 when touchdowns were worth five points. The NCAA nor the governing body at the time recognizes the early games for FSC, although the school won the state championship in 1904. The 1904 season included a 23-0 win over Florida in Lake City, Fla. The school then became the Florida State College for Women and would remain one of the nation's top all-female institutions until the large number of returning veterans from World War II triggered the state system to open Florida State University to men in 1946. The school resumed football in 1947, taking on Stetson in its first game.

1977

Florida State ended a nine year drought versus the Florida Gators in convincing style with a 37-9 victory before 63,563 fans in Gainesville. The victory capped a brilliant regular season for the Garnet and Gold. It was the ninth victory in 11 games, the first time in Seminole history the school had recorded nine wins during the regular season. And, the win also returned FSU football to respectability throughout the south since head coach Bobby Bowden had said more than once that the program "would not be turned around until we beat Florida." Thus the victory - only the third in the 20 year series for the Seminoles - was more important than any other win in recent memory for Seminole coaches and boosters.

1979-80

Florida State got its first taste of the real big-time in 1979 and 1980 going to back-to-back Orange Bowls against Oklahoma. FSU went undefeated (11-0) over the regular season in 1979, but lost 24-7 to the Sooners and finished sixth in the final AP poll. FSU took a 10-1 record into the Orange Bowl showdown the next year before losing a heartbreaker 18-17.

1980

If one game can be singled out as the most important in the run of unprecedented success at Florida State, it would be **the contest at Nebraska on Sept. 7, 1980**. FSU won in Lincoln, 18-14, opening the eyes of the entire country. Nebraska fans shook off a mixture of shock and confusion to stand and give Bobby Bowden and his Seminoles a standing ovation as they left the field.

1981

FSU takes on the following schools in order all on the road: Nebraska, Ohio State, Notre Dame, Pitt and LSU. FSU won at Ohio State, Notre Dame and LSU, but, more importantly, won fans coast to coast for its undaunted spirit.

1981

In 1981 a **freshman tailback named Greg Allen** was given the football in the middle of legendary Death Valley with a sea of LSU fans around him. He finished the day with a remarkable 202 rushing yards that signaled the arrival of a superstar for the Seminoles. Later that year, he would rip Western Carolina for 322 rushing yards, which still stands as the best rushing game ever for a Seminole.

1986
Deion Sanders spent a quiet first two years at Florida State before exploding on the national scene in a preseason press conference. He would become one of the most popular players ever in college football and one of the greatest athletes in FSU history.

1991-92
On July 1, 1991, the Atlantic Coast Conference accepted Florida State University as its ninth member and the first addition to the league since Georgia Tech joined in 1978. FSU had competed in the Metro Conference for all sports other than football, which had been an independent. FSU's first ACC football game was a 48-21 win over Duke on Sept. 7, 1992.

1993
The Seminoles won their **first national championship** behind Heisman Trophy winner Charlie Ward in 1993. FSU played Nebraska in the national title game at the Orange Bowl and used freshman Scott Bentley's late field goal to win 18-16.

1995
A 31-26 come-from-behind win in the fourth quarter of the Orange Bowl against Notre Dame was FSU's 11th consecutive bowl win. The streak set an NCAA record as was FSU's 14-game unbeaten streak in bowls that was spoiled only by a 17-17 tie with Georgia in the 1984 Citrus Bowl.

1999
Bobby Bowden used to keep an empty picture frame in his office, which was reserved for his **first perfect season**. He filled the frame with a 1999 team photo. The Seminoles finished the year 12-0 and topped off the record run with a 46-29 win over Virginia Tech for the national championship in the Sugar Bowl.

2000
Chris Weinke literally rewrote the FSU record book over his senior season and took home the second Heisman Trophy for a Seminole player when he won the award in December of 2000. He would finish his career with a record of 32-3 as a starter.

2002
Bobby Bowden passed Bear Bryant and moved into second place on the all-time coaching wins list.

2003
Bobby Bowden defeats Wake Forest to become all-time winningest major college coach. The Seminoles won the ACC and earned the BCS bid.

2004
Bobby Bowden Field at Doak S. Campbell Stadium was dedicated on Nov. 20, 2004 prior to the Florida game.

2005
Florida State wins the inaugural ACC Championship game by a score of 27-22 over Virginia Tech in Jacksonville. Willie Reid was named the game's MVP. The conference title was FSU's 12th since joining the league in 1992.

2006
The College Football Hall of Fame announced that Bobby Bowden and Charlie Ward would be two of the year's 15 inductees. Bowden and Joe Paterno, who was also inducted, were the first two active coaches to be honored.

2007
Head Coach Bobby Bowden won his 300th career game at FSU with a 24-16 victory over Maryland.

2008
The College Football Hall of Fame announced that Ron Simmons would be one of 15 inductees. The Rhodes Trust named junior **Myron Rolle one of 32 U.S. Rhodes Scholars for 2009** - the first time in nearly 25 years it has awarded the scholarship to a prominent college football player. Senior kicker Graham Gano was named the Lou Groza Award winner, making him just the second Seminole to ever garner the honor.

2009
Legendary head coach Bobby Bowden (1976-2009) and longtime defensive coordinator Mickey Andrews (1984-2009) announced their retirements during the season and said their final farewells when FSU defeated West Virginia 33-21 in the 2010 Gator Bowl. The victory secured the Seminoles' 33rd straight winning season under Bowden. It was Florida State's 28th straight bowl appearance – the nation's longest active bowl streak. Bowden retired ranked second all-time in victories for NCAA major college football.

2010
Jimbo Fisher took over the helm at Florida State in 2010 after being named the successor to legendary coach Bobby Bowden on Jan. 5, 2010. In just his first year, Fisher guided the Seminoles to a final ranking of No. 16 in the USA Today Coaches Poll. He led Florida State to the 2010 Chick-fil-A Bowl Championship after a season sweep of in-state rivals Miami and Florida, an ACC Atlantic Division Title and the program's first 10-win season since 2003. His 10 wins were the most by a first-year head coach at FSU and the third-most by a rookie coach in ACC history.

2013
The Seminoles earned their third national championship with a 34-31 win over Auburn in the BCS National Championship Game on Jan. 6, 2014. Redshirt freshman quarterback Jameis Winston led Florida State to a 14-0 record and its first undefeated season since 1999. Winston earned the 2013 Heisman Trophy as he finished with 4,057 yards passing and a school-record 40 TDs through the air to go along with 219 yards and four scores on the ground.

2014
Florida State won its third consecutive ACC Championship, and 15th overall since joining the league in 1992, earning a spot in the inaugural College Football Playoff. The Seminoles posted a streak of 29 consecutive wins, setting FSU and ACC records, becoming just the 14th team in college football history to win 29 games in a row.

2016
Florida State earned a New Year's Day/BCS Bowl berth for the fifth straight season. FSU's appearance in the 2016 Orange Bowl qualified **FSU as one of only two teams to earn a New Year's Day/BCS Bowl berth for the five straight seasons**.

2018
Willie Taggart was named Florida State's 10th full-time head coach and made his FSU debut for the 2018 season. The Palmetto, Florida, native returned to his home state, where he previously coached four years at South Florida, after serving as head coach at Oregon and also was head coach at his alma mater, Western Kentucky.

2019
The College Football Hall of Fame announced that Terrell Buckley was included in the 2019 Hall of Fame class.

2020
A new era of FSU football was ushered in on Dec. 8, 2019, when **Mike Norvell** was formally introduced as the program's 11th full-time head coach. Norvell came to Tallahassee after leading Memphis to three straight conference championship games.

2022
The College Football Hall of Fame announced that Terrell Buckley was named to the 2022 Hall of Fame class.

2023
Florida State won its 16th ACC championship after completing a perfect 13-0 regular season with a win over No. 14 Louisville in the ACC Championship Game.

2024
The College Football Hall of Fame announced that Warrick Dunn was named to the 2024 Hall of Fame class.

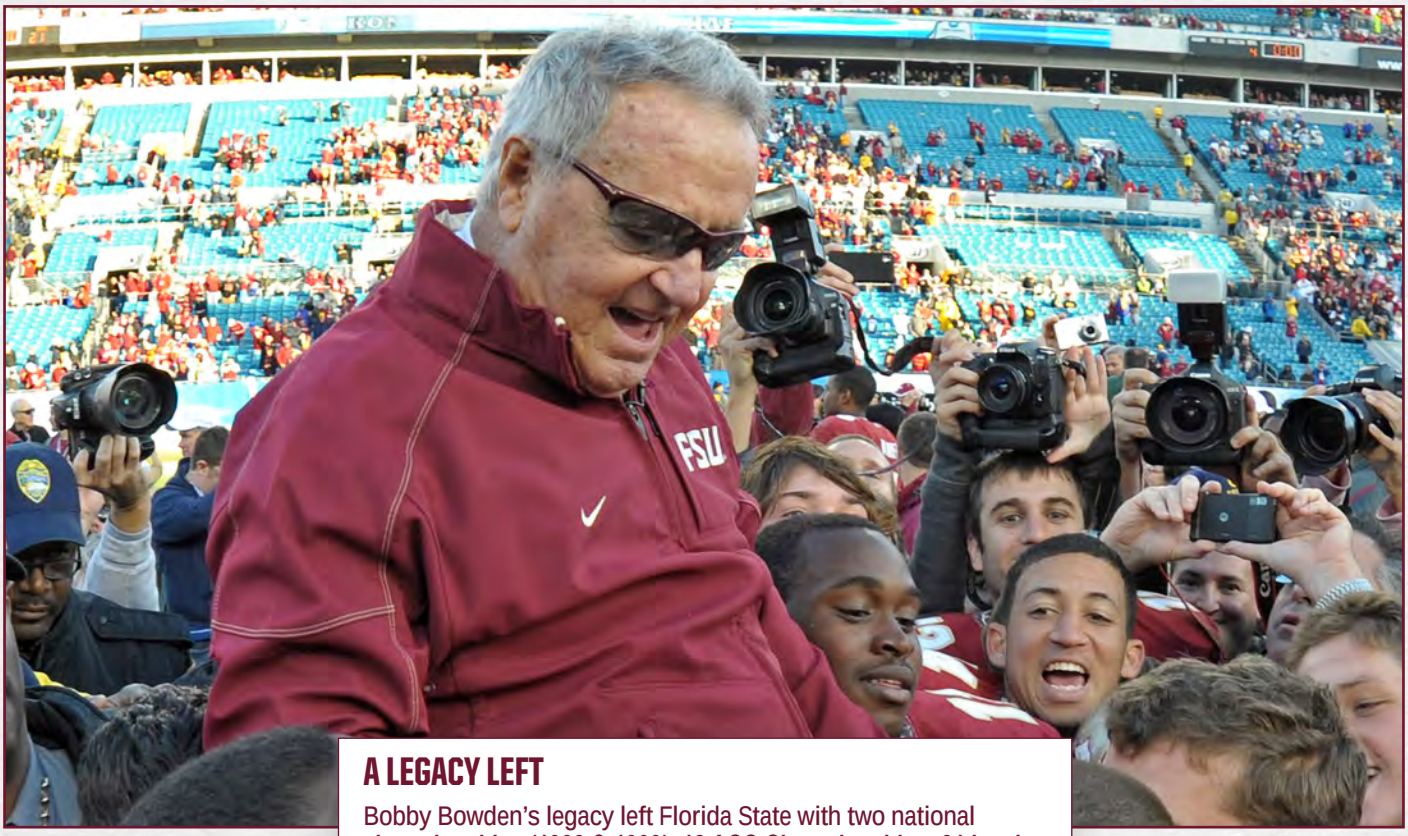
THE BOWDEN ERA



A LEGACY LEFT

Bobby Bowden's legacy left Florida State with two national **championships (1993 & 1999), 12 ACC Championships, 31 bowl** appearances, 33 consecutive winning seasons, two Heisman **Trophy winners, 34 first round NFL Draft Picks, 107 NFL draftees** from 1992-2009, and 118 ACC Wins.

1976
Although FSU had considered dropping football due to a 4-29 record over the previous four seasons, Bobby Bowden is hired as head coach and records his only losing season at FSU with a 5-6 mark.

1977
In one season, Bowden turns the program around with a 10-2 record, FSU's first-ever 10-win season. Under Bowden's direction, FSU won its first bowl game since 1964 with a 40-17 drumming of Texas Tech in the 1977 Tangerine Bowl.

1978
Bowden and Florida State received the program's first preseason national ranking at No. 17. He led the Seminoles to a second straight win over Florida, marking the first time in history FSU had recorded two straight wins over the Gators.

1979
Bowden led FSU to the Orange Bowl in its first ever New Year's Day bowl. Bowden recorded FSU's first ever unbeaten regular season and the highest AP ranking at No. 4 entering the postseason and coached FSU to a school-record 11 wins.

1980
Bowden's 1980 team was the first in program history to finish in the AP Top 5. When it's looked at how FSU became a national power, the 18-14 win at Nebraska always comes to mind as a landmark victory. He was named National Coach of the Year (Bobby Dodd).

1981
Bowden and Florida State gained notoriety with a schedule that lined FSU up in successive weeks on the road against Nebraska, Ohio State, Notre Dame, Pitt and LSU. The Seminoles went 3-2 in that stretch while Florida State's overall schedule was nicknamed "Murderer's Row" and "Octoberfest."

1982
For the second straight year, Bowden and the Seminoles faced the nation's toughest schedule according to the NCAA. Bowden reached into his bag of tricks for a 34-17 upset win at Ohio State.

1983
Bowden surpassed former head coach Bill Peterson as the all-time winningest coach at FSU. He was inducted into the Florida Sports Hall of Fame. The "War Chant" saw its birth and FSU sported its "mustard" uniforms for the first and only time.

1984
Greg Allen recorded Florida State's first 1,000 yard rushing season. Bowden continued his creative play calls as Jessie Hester scored on a 77-yard reverse as FSU stunned defending national champion Miami, 38-3, in the Orange Bowl.

1985
Bowden coached FSU to its ninth straight winning season, capped off by a 34-23 Gator Bowl victory over Oklahoma State. Perhaps FSU's biggest victory came in the second game when FSU traveled to No. 10 Nebraska and defeated the Cornhuskers 17-13, a game Bowden would later call "one of the biggest wins in FSU history."

1986
Bowden and FSU recorded a 56-14 pounding of South Carolina in FSU's first-ever appearance on ESPN. Bowden led FSU to a perfect 6-0 record at home and the most points scored in a game by FSU in history with a 76-14 win over Tulsa. He was inducted into the Alabama Sports Hall of Fame.

1987
Bowden missed his first national championship by one point when two Miami defenders knocked down a two-point conversion and FSU fell 26-25. FSU snapped a six-game losing skid to the Gators which marked Bowden's 100th victory at FSU.

1988
Bowden's preseason No. 1 ranked team fell at Miami breaking its streak of 11 opening day victories. The Seminoles would not lose again, winning 11 straight games. Bowden called one of his greatest trick plays, the Puntrooskie, at Clemson. FSU drubbed Florida 52-17 for the Seminoles' largest victory margin over the Gators.

1989
After a loss to Clemson, FSU went on to win 10 straight and earn a Top 3 ranking for the third straight year. FSU played in a third straight New Year's Day bowl with a win over Nebraska in the Fiesta Bowl, extending its bowl unbeaten streak to eight.

1990
Bowden earned his 200th career victory when FSU beat LSU 42-3. The 1990 meeting with Florida marked the first time in the series that both teams were ranked in the Top 10 as No. 8 FSU defeated No. 6 UF 45-30. Bowden and FSU beat Joe Paterno's No. 7 Penn State Nittany Lions 24-17 in the Blockbuster Bowl.

1991
Bowden was named National Coach of the Year (Walter Camp) and led FSU to an 11-2 mark and fifth straight season of 10 or more wins. FSU was preseason No. 1 and stayed there 11 weeks before falling to Miami in Wide Right I. FSU defeated No. 3 Michigan 51-31, the most points ever allowed in the Big House.

1992
Bowden and FSU beat Duke in FSU's first game as a member of the ACC. FSU suffered Wide Right II at Miami and fans saw the birth of the "fast-break offense" in the comeback win at Georgia Tech. Marvin Jones became the first Seminole to capture two national awards. Bowden was named the 1992 Neyland Trophy Winner.

THE LEGEND RETURNS

On Oct. 26, 2013, Bowden returned to Doak Campbell Stadium for the first time since his final season in 2009. In what was coined "Bobby Bowden Day," the coaching legend was honored prior to Florida State's game against NC State, which was won 49-17 by the 'Noles. Bowden planted the spear once again and gave a thank you speech to the Garnet and Gold crowd, talking about his memories as FSU's cherished leader.

BOWDEN IN BRONZE

Former head coach Bobby Bowden is bigger than life in front of the Moore Athletics Center at Florida State as a bronze statue of his likeness was unveiled in a ceremony on Sept. 24, 2004. The statue is one-and-a-half life-size of Bowden and was sculpted by Tallahassee artist Stanley Proctor. The artist also created a smaller piece of artwork, measuring just over 12 inches high, featuring Bowden and Doak Campbell Stadium.

1993
Bowden brought home FSU's first national title with an 18-16 win over Nebraska in the Orange Bowl. Charlie Ward became FSU's first Heisman Trophy winner and won every award he was eligible for. Bowden was named ACC Coach of the Year and led FSU to 12 victories for the first time in school history.

1994
Bowden's squad set an NCAA record with the amazing 28 point fourth quarter comeback against Florida. He led the Seminoles to another ACC Title and Top 4 national ranking. Florida State would play Florida a second time in a game dubbed the Fifth Quarter in the French Quarter, as FSU won 23-17 in the Sugar Bowl.

1995
Florida State's streak of 29 straight ACC wins came to an end with a loss at Virginia. FSU still won the ACC Championship and the victory over Notre Dame in the Orange Bowl preserved its NCAA record 11th straight bowl win. Bowden earned career win No. 250 in his 20th year as Florida State's head coach.

1996
Bowden guided FSU to its second national championship game as FSU celebrated 50 years of Seminole football. Florida State fell in a rematch to Florida in the national championship. Bowden was honored as the 1996 National Coach of the Year (Home Depot). FSU finished the season ranked No. 3.

1997
Bowden and FSU went 11-1 for the second straight season, capped off by a win over Ohio State in the Sugar Bowl. Bowden recorded his 200th victory at FSU. He was named ACC Coach of the Year for the second time. FSU finished No. 3, keeping alive the streak of 11 straight seasons of Top 4 finishes in the AP poll.

1998
Bowden led FSU to its second national championship appearance in three years. FSU won another ACC Championship despite falling at NC State 24-7 in only the second ACC loss for the Seminoles since joining the league. FSU went 11-2 and with a Top 4 ranking (No. 3) and 10 or more wins for a 12th-straight season.

1999
Bowden led FSU to its first undefeated season as FSU became the first team in the history of college football to go wire-to-wire as the AP No. 1 ranked team. Bowden was named National Coach of the Year (Home Depot), a National Coach of the Decade Finalist (Home Depot) and his Seminoles were honored as the ESPN College Team of the Decade (any sport).

2000
FSU played in its third straight national championship game and fourth in five years. The 2000 season was the last of Bowden's streak of 14 straight AP Top 5 finishes and 14 straight seasons of 10 or more wins. The Seminoles finished the season 11-2, 8-0 in the ACC and a No. 5 ranking in the AP final poll.

2001
For the first time since joining the ACC in 1992, Bowden's Seminoles did not win the ACC championship but still went to their 11th straight New Year's Day bowl with an invitation to the Gator Bowl where FSU defeated Virginia Tech. With that win, Bowden tied Bear Bryant for second place on the all-time coaching wins list with 323.

2002
Florida State returned to the top of the ACC and the Seminoles played Georgia in the Sugar Bowl. FSU concluded the season ranked 21st in the final AP poll. During the season, Bowden recorded his 250th victory at Florida State and 325th victory of his career.

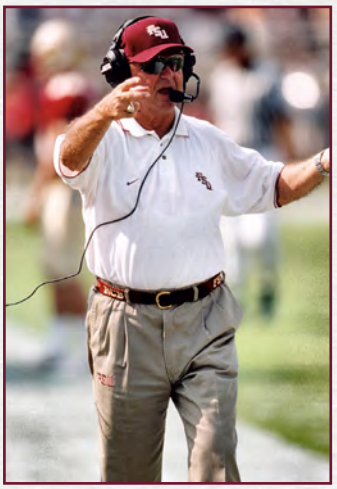
2003
Bowden led FSU back to another 10-win season and passed Joe Paterno as the all-time winningest major college football coach. The Seminoles captured the ACC title, its 10th in 12 years, and earned the BCS bid to the Orange Bowl, marking FSU's 22nd straight postseason trip and 13th consecutive January bowl game.

2004
Bowden coached FSU to its 23rd straight bowl and a No. 15 final ranking as he recorded FSU win No. 275 and career win No. 350 during the season. The field at Doak Campbell Stadium was named Bobby Bowden Field, a stained glass window depicting Bowden and a statue of his likeness were placed in front of the stadium.

2005
Bowden guided FSU to another ACC title in the inaugural ACC Championship game with a 27-22 win over Virginia Tech in Jacksonville which propelled FSU into the FedEx Orange Bowl against Penn State. The game was Bowden's 24th consecutive bowl, as he coached against Joe Paterno in an epic triple OT game.

2006
Bowden was inducted into the College Football Hall of Fame. The Seminoles made their longest road trip in school history, venturing 2,600 miles to San Francisco for the Emerald Bowl where they beat UCLA. The game marked FSU's 25th straight bowl appearance and the win extended Bowden's winning-season streak to 30.

2007
Bowden earned his 31st consecutive winning season with a 7-6 record and made a Music City Bowl appearance. Bowden reached another milestone in his decorated career when he earned his 300th win at Florida State in a 24-16 victory over Maryland.



2008
Bowden coached his 'Noles to a 9-3 record, No. 21 national ranking and a tie for 1st in the ACC Atlantic Division. FSU concluded the season with a win over Wisconsin in the Champs Sports Bowl and touted the nation's longest bowl streak at 27 straight. In FSU's win over Colorado in Jacksonville, Bowden recorded his 500th game as a head coach.

2009
On December 1st, Bowden announced that the bowl game would be his last as head coach of Florida State. He was carried off the field in his final game as his Seminoles defeated West Virginia, the school he coached prior to coming to FSU, in the Gator Bowl.

FSU FOOTBALL TRADITION

FSU Fight Song

While the "War Chant" has become familiar at FSU games, the **Florida State fight song still remains the definitive sound of Seminole sports**. FSU's band became the Marching Chiefs in 1950 and with that came the fight song. Tommy Wright, a member of the faculty in the School of Music, was perturbed that the Seminoles had been using "On Wisconsin" and the "Notre Dame Victory March" so he introduced the song in the Sewanee game, setting to music a poem by FSU Alumni Doug Alley.

History of the Garnet and Gold

Florida State's school colors of garnet and gold date back to the Florida State College championship football teams of 1904 and 1905. In those championship seasons, FSC donned purple and gold uniforms. When Florida State College became Florida Female College in 1905, the football team was forced to attend the University of Florida. The following year the FFC student body selected crimson as the official school color of 1905. The administration in 1905 took crimson and combined it with the recognizable purple of the championship football teams to achieve the color garnet. The now-famous garnet and gold colors were first used on an FSU uniform against Stetson on Oct. 18, 1947.

War Chant

Florida State's "war chant" appears to have begun with a random occurrence that took place during a 1984 game against Auburn. In the 1960s, the Marching Chiefs would chant the melody of a popular FSU cheer. In a sense, that chant was the long version of FSU's current "war chant." During a thrilling game with Auburn in 1984, the Marching Chiefs began to perform the dormant melody. Some students behind the band joined in and continued the "war chant" portion after the band had ceased. Most agree the chant came from the fraternity section, but many spirited Seminole fans added the now-famous hand motion. The chant continued among the student body during the 1985 season, and by the 1986 season, it was a stadium-wide phenomenon. Of course, the Marching Chiefs refined the chant, plus put their own special brand of accompaniment to the "war chant," for the sound we hear today. Atlanta Braves fans took up their version of the song and chant when former FSU star Deion Sanders came to the plate as an outfielder. The Kansas City Chiefs first heard it when the Northwest Missouri State band, directed by 1969 FSU graduate Al Sergel, performed the chant while the players were warming up for a game against San Diego.

Goal Posts Salute Peterson

The Bill Peterson era as head football coach at FSU was a time of great offensive innovation and of many firsts for the upstart Seminole program, including the first Seminole coach to beat the Gators at Florida Field, coaching the program's first All-American in Fred Biletnikoff and recruiting James Thomas, the first African American player to ever play football at FSU. A tradition of the Peterson era was to enter the field through the goal posts. As a tribute to the players and coaches of the Peterson era and their many firsts, "H" style goal posts were added to the field at Doak Campbell Stadium prior to the 2002 season and will forever be referred to as "Pete's Posts."

Tomahawks Can Be Won and Lost

Florida State's coaching staff and academic staff award tomahawks to individual players for great plays or contributions on the field and in the classroom. Players may get a tomahawk for a crucial play, a touchdown, a saving tackle or various other achievements on the field. In 1997 the Seminoles began receiving tomahawks for outstanding academic achievements as well. They look identical except the word academics runs down the handle of the tomahawk. What many fans do not know is that Florida State players can actually lose tomahawks as well. Poor performance on the field or in the classroom can cause a player to be stripped of the coveted decals.

SPECIAL LANDMARKS

"Unconquered"

Dedicated on Oct.10, 2003, Fritz White's **bronze statue "Unconquered"** was designed to capture the indomitable spirit of the Seminole people and those who have adopted that spirit as a symbol for their university. The massive structure, including its granite-covered pedestal base, stands approximately 31 feet in the air and depicts a spear-brandishing Seminole astride a rearing horse. At sunset the night before each home game, the spear is ignited and burns until sunrise on the morning after the game. George Langford's endowment of the project for up to $1 million helped make the statue a reality. Fifty-one artists were then considered before White eventually saw the statue dedicated 10 years after the concept was inspired by attorney and FSU graduate Stephen Reilly's trip to South Bend, Ind. for an FSU football game.

Sportsmanship Statue

Between Gates B and C of Doak Campbell Stadium stands the one ton, 15-foot tall Sportsmanship Statue given in honor of Pappy Strum by his daughter Margaret Strum Allesee, who is an FSU graduate and former Seminole cheerleader. The enduring symbol of the most important aspect of athletic competition was sculpted by FSU alumnus and accomplished artist Edward Jonas.

Three Different Helmets to One

For one season in 1962 the Florida State Seminoles **took the field with three different helmets**. Coach Bill Peterson's three-team system featured the two-way Chiefs, the defensive Renegades and the offensive Warriors with each group wearing a different helmet. By 1963 the Seminoles were back to just one helmet, an all-gold version which once again lasted just one season as the word "State" was added in 1964.

VISION

As Florida State University leads and embraces the future — entering new markets, connecting with new students, faculty and staff, and expanding its presence —it is essential that the Florida State Athletics brand grows with the university. The objective of this exercise is to make sure that the brand is consistent across all applications and captures new audiences in an authentic and meaningful way. The Seminole Tribe of Florida was consulted through the brand development process and approved all modifications of these beloved symbols.

THE FLORIDA STATE UNIVERSITY ATHLETICS BRAND

What are the elements that make up our Brand Identity? The words you choose. The type you use. The colors, graphics, and imagery you display. A unique and iconic primary logo. The way you position and apply the primary logo. These are the key building blocks that help tell the Florida State story and shape people's perception of Florida State University.

Perfection is in the details. Underlying all Florida State brand expressions is a detailed, well-ordered system of visual assets. This unified system defines the Florida State experience.

EVOLUTION NOT REVOLUTION

At first glance, the new Florida State Brand Identity System may look revolutionary. It's bold and intriguing. It's designed to serve as an evolution of an already iconic identity and position the brand for the future.

BRAND ATTRIBUTES

Brand Attributes are a set of characteristics that represent the essence of the Florida State brand. These attributes identify personality traits and serve as a filter for all of the components of the identity system. When you experience the Florida State brand, we want you to be reminded of:

RESPECT | INTEGRITY | STRENGTH | PRIDE
CHARACTER | FIGHT | PASSION | LEADERSHIP
FAMILY | TRADITION

PRIMARY IDENTITY– THE SEMINOLE LOGO

The Seminole logo is indisputably iconic and unique to Florida State Athletics. It signals a consistent foundation—honoring the brand equity that has been built across decades of competition while creating distinction and reinforcing the brand for the next generation. The mark is strong, youthful and bold paying off the true attributes of a Seminole Warrior. It purposefully incorporates the Florida State color palette, and with the head held high it expresses our position with purpose and conviction.

The Seminole logo is the primary representation of the brand and is used as the main identifying device for athletics. Reinforcement of the primary identity will build equity in Florida State Athletics. In primary or secondary colors, the Seminole logo works well across all media. With a flexible approach to palettes and logo staging, the Seminole logo now comes alive with renewed spark and energy.

FSU LOGO

The FSU Logo is a stylistic ligature. At the origin of typographical ligatures is the simple running together of letters in manuscripts. In writing and typography, a typographic ligature occurs where two or more letters are joined as a single glyph.

The FSU Logo was created from the custom unconquered alphabet. It works closely in support of the primary identity to represent Seminole Athletics. This type-based mark gives the identity flexibility while staying consistent with the main look and feel.

SEMINOLE SPEAR

Perhaps the most spectacular tradition in all of college football occurs in Doak Campbell Stadium when a student portraying the famous Seminole leader, Osceola, charges down the field riding an Appaloosa horse named Renegade and plants a flaming spear at midfield to begin every home game. Together, Osceola and Renegade highlight a pre-game ritual, considered to be one of the most popular in the nation.

Florida State's trademark helmet with the Seminole spear is well known throughout all of college football. This design was first introduced during Bobby Bowden's first year as head coach in 1976. Prior to that season, FSU had used a variety of different helmets ranging from gold with a garnet FSU, solid gold with garnet and white striping, an image of the state of Florida with STATE running down it, and various others. The refined spear now reflects the same visual language as the other elements of the identity system.

SEMINOLE PATTERN

In the early 1900s, a new decorative technique was developed by Seminole women, now commonly known as patchwork. Early patterns included blocks and bars of alternating color with occasional sawtooth designs that were sewn directly into garments. Patchwork was rapidly adopted as a standard means of embellishing the Seminoles' traditionally vibrant clothing. These authentic and meaningful patterns live on through today's Seminole natives, and are now an official element of the performance apparel palette for Florida State Athletics.

FSU and Nike were determined to incorporate meaningful symbolism into their uniforms and designers included Seminole lore in each element. The Seminole symbols for Arrow, Man on Horse and Fire (top to bottom, repeating) were the inspiration for this unique pattern.

THE TRADITION OF EXCELLENCE

Consistency. It is the mark of true excellence in any endeavor.

In today's intercollegiate athletics, competition is so balanced and so competitive that it is virtually impossible to maintain a high level of consistency. Yet the Atlantic Coast Conference has defied the odds.

Established in 1953, the ACC has long enjoyed a reputation as one of the strongest and most competitive intercollegiate conferences in the nation. And that is not mere conjecture; the numbers support it.

Through 72 years of competition, ACC schools have claimed a total of 196 NCAA team championships — including 103 in women's sports, 87 in men's sports, and six in coed fencing. In addition, ACC student-athletes have earned 460 individual NCAA titles, with 217 in men's competition and 243 in women's events, further showcasing the depth of talent and excellence across the conference.

Over the last four years (2021-22, 2022-23, 2023-24, 2024-25), the ACC has achieved unparalleled national success as the league has won six or more national titles in each of the last four years, marking the best run in ACC history.

ACC teams captured a league-record nine NCAA championships in 2022–23. Combined with seven national titles in both 2021–22 and 2023–24, and six more in 2024–25, the ACC has won 29 NCAA team championships in league-sponsored sports over the past four years — the most of any conference during that span.

For 18 straight years, the ACC has led the way among Football Bowl Subdivision (FBS) conferences in the "Best Colleges" rankings released by U.S. News & World Report.

In August 2019, the ACC and ESPN partnered to launch ACC Network (ACCN) — a 24/7 national platform dedicated to ACC sports and original programming highlighting the conference's schools, student-athletes, and traditions. In August 2024, ACCN celebrated its five-year anniversary with a special broadcast honoring the ACC's most memorable teams, coaches, student-athletes, and moments since its launch on August 22, 2019.

Now in its 73rd year, the Atlantic Coast Conference has grown to 18 member institutions and remains one of the most respected and competitive intercollegiate conferences in the nation. From coast to coast, the ACC represents a remarkable blend of academic distinction, elite athletic performance, and unwavering integrity — the very cornerstones on which the league was founded in 1953.

The conference's membership includes: Boston College, California, Clemson, Duke, Florida State, Georgia Tech, Louisville, Miami, North Carolina, NC State, Notre Dame, Pitt, SMU, Stanford, Syracuse, Virginia, Virginia Tech and Wake Forest. Each institution brings a rich tradition and a shared commitment to developing student-athletes who excel in both the classroom and in competition.

Today, more than 12,200 student-athletes across these 18 universities compete at the highest level of NCAA athletics, showcasing the ACC's unparalleled depth, national reach and continued impact on the collegiate landscape.

ACC FOOTBALL

The Atlantic Coast Conference continues to make its mark on the national stage, proving year after year that excellence runs deep across the league.

The ACC has had a team appear in either the College Football Playoff or BCS National Championship Game in nine of the past 12 seasons, including two teams in both 2020 and again in 2024, making the ACC one of only three conferences to place multiple teams in the CFP last season.

In 2024, the ACC set a league record with 13 teams earning postseason bowl invitations — the most of any conference. It marked the 24th consecutive season in which the ACC earned at least six bowl bids and, outside of the pandemic-altered 2020 season, the conference has sent at least nine teams to bowl games every year since 2014. Over just the last two seasons, ACC programs have accounted for 24 total bowl appearances, reflecting the league's depth, consistency, and national competitiveness.

The 2024 season also showcased an unprecedented level of performance. For the first time in ACC history, four teams recorded 10 or more wins, while six teams reached at least nine victories. In 2023, six ACC teams started the season at 4-0, tying the 2012 SEC for the most 4-0 starts by a Power 5 conference in the AP Poll Era (since 1936). That same season, 10 ACC teams finished with winning records, the second-most ever by the conference in the playoff era (trailing only 2016, when 11 teams posted winning seasons).

For the second consecutive season, four teams finished in the Top 25 of both the final Associated Press (AP) and AFCA US BLM Coaches Polls last year. In the final 2025 AP Poll, SMU was ranked No. 12, Clemson was No. 14, Miami came in at No. 18 and Syracuse was No. 20. In the final 2025 AFCA Coaches poll, SMU and Clemson tied at No. 11, Miami was ranked No. 18 and Syracuse came in at No. 22.

THE CHAMPIONSHIPS

The ACC conducts championship competitions in 28 sports – 13 for men and 15 for women.

The first ACC championship held was in swimming at North Carolina State University on February 25, 1954.

The 13 sports for men include football, cross country, soccer, basketball, fencing, swimming & diving, indoor and outdoor track & field, wrestling, baseball, tennis, golf and lacrosse. Women's sports were initiated in 1977 with the first championship held in tennis on October 6-8 at Wake Forest University. Championships for women are currently conducted in cross country, field hockey, soccer, basketball, fencing, swimming & diving, indoor and outdoor track & field, gymnastics, tennis, golf, lacrosse, softball and rowing, with volleyball deciding its champion by regular season play.

No FBS conference sponsors more than 28 sports, nor features more than 15 women's sports.

2024-25 YEAR IN REVIEW

The conference completed championship competition in all 28 sports with 12 different schools claiming at least one conference crown.

The ACC was third among all conferences in 2024-25 with six NCAA titles in sports it directly sponsored, while ACC student-athletes accounted for 32 individual national championships across several Olympic Sports.

The ACC has averaged more than four national team titles per year over the past quarter-century (117 in 25 years) and has won multiple NCAA titles in 41 of the past 45 years.

The ACC once again led all Power 5 conferences in the U.S. News & World Report "Best Colleges" rankings, with an average ranking of 51.7—its 18th consecutive year at the top. In the NCAA's May 2025 Academic Progress Rate (APR) data report, the ACC posted an average score of 991, seven points above the national average, while all 28 ACC-sponsored sports exceeded the NCAA's minimum APR of 930 and 114 teams earned perfect scores of 1000, including at least one team from each of the 18 member schools. Additionally, the ACC posted a 94 percent Graduation Success Rate (GSR) in the NCAA's November 2024 report, surpassing the national average by four points.

ACC HISTORY

The Atlantic Coast Conference (ACC) was founded on May 8, 1953, at the Sedgefield Inn near Greensboro, North Carolina, by seven charter members: Clemson, Duke, Maryland, North Carolina, NC State, South Carolina and Wake Forest. The group formally withdrew from the Southern Conference that morning during its annual spring meeting, and on June 14, 1953, they reconvened in Raleigh to adopt bylaws and officially name the new league the Atlantic Coast Conference.

Prior to that meeting, fans submitted suggestions for the league's name in regional newspapers. Among the options proposed were Dixie, Mid-South, Mid-Atlantic, East Coast, Colonial, Tobacco, Southern Seven, and Piedmont. It was Duke's Eddie Cameron who recommended the name "Atlantic Coast Conference," and the motion passed unanimously. At the conclusion of that meeting, each institution was assessed $200 to fund initial conference expenses.

The ACC welcomed its eighth member, Virginia, on December 4, 1953, during a second meeting at the Sedgefield Inn. The league remained at eight members until South Carolina withdrew on June 30, 1971. The conference operated with seven members until April 3, 1978, when Georgia Tech, which had left the Southeastern Conference in 1964, was admitted.

The ACC expanded to nine members on July 1, 1991, with the addition of Florida State, followed by Miami and Virginia Tech on July 1, 2004, increasing membership to 11. Boston College joined as the 12th member on July 1, 2005.

Further expansion came on July 1, 2013, when Pittsburgh and Syracuse officially joined after accepting invitations in 2011. On that same day, Notre Dame became a full member in all sports except football, agreeing to play five ACC football games annually, bringing the league to 15 members.

Louisville joined the conference on July 1, 2014, replacing Maryland, which departed for the Big Ten, keeping the total number of institutions at 15.

Most recently, in September 2023, the ACC Board of Directors voted to admit the University of California, Berkeley (Cal), Southern Methodist University (SMU), and Stanford University. SMU officially joined the ACC on July 1, 2024, with Cal and Stanford following on August 2, 2024, expanding the conference footprint coast to coast and signaling the beginning of a new era for the league.

THE SEMINOLE TRIBE OF FLORIDA
THE UNCONQUERED PEOPLE

By Barry Ray, FSU Office of News and Public Affairs

As a people, few have prevailed over more trying circumstances than the Seminole Indians of Florida. Over the course of almost two centuries, Florida's Seminoles endured three wars with the U.S. government, resisted numerous efforts to relocate them to federal reservations in the West, and ultimately made their home in one of the world's most inhospitable environments, the Florida Everglades. That they have not only survived, but thrived — all the while maintaining their fierce independence and rich culture — is a tribute to their courage and perseverance. This is their story.

Long before European explorers ever visited the area now known as Florida, native peoples had been living here for thousands of years. In fact, as many as 100,000 members of four Indian nations — the Apalachee, the Tequesta, the Timucua and the Calusa — were living in highly organized settlements throughout the peninsula when the Spanish first arrived in 1513.

The native peoples' lack of resistance to smallpox, yellow fever and other "European" diseases, as well as later slaving raids from the English colonies of Georgia and South Carolina, eventually decimated their numbers. By the mid-18th century, the Indian nations of Florida had ceased to exist.

In their place, groups of Indians from a confederation of tribes collectively referred to as the Lower Creeks began moving into Florida from Alabama and Georgia. They had been pushed out of their former homes by the encroachment of white settlers, as well as by conflicts with other tribes. It was around this time that the name "Seminoles" first appeared; there are several possible explanations as to its origins.

When the first English speakers began arriving in Florida in 1763, they found many Creeks living as yat'siminoli, or "free people," across the northern part of the Florida peninsula. ("Yat'siminoli" was a term used in the Mikisúkî, or Miccosukee, language, which still is spoken today.) The settlers may have simply ignored the Indians' separate tribal affiliations and called them all Seminolies, or Seminoles.

Others believe that the Seminole name comes from the Spanish word cimarron, meaning "wild men" or "unconquered." The Indians may have been given this name because they had escaped from slavery in the English-controlled colonies to the north.

With the end of the American Revolutionary War in 1784, English-speaking settlers began moving southward in ever greater numbers, buying or seizing land from the native inhabitants. By 1813, some of the Creek tribes in Alabama rose up against the white settlers and the Indian tribes that supported them. This conflict, known as the Creek War of 1813-14, proved disastrous to all of the tribes. U.S. troops led by Gen. Andrew Jackson crushed the uprising and forced a treaty on the Creeks that took more than 2 million acres of land from them. Several thousand Creek warriors and their families migrated south into Spanish Florida, where they and the Seminoles increased their resistance to white settlement.

In 1814, such conflicts escalated into the first of three Seminole wars. Over the next four years, Jackson illegally entered Spanish Florida numerous times to burn Seminole villages and kill resistance leaders.

With the end of the First Seminole War in 1818, many Indians moved further into Florida. By 1820, the year before Spanish Florida became a U.S. territory, there were at least 5,000 Seminoles, Creeks and Mikisúkî people living here. However, a series of federal treaties failed to protect their rights and, in 1835, war broke out again.

The Second Seminole War (1835-42) proved to be the longest, most costly, and the last of the U.S. wars of Indian removal fought east of the Mississippi River. It also would be the first guerilla-style war faced by U.S. troops. Led by the fierce warrior Osceola, the Seminoles were aided by runaway slaves, who received protection from their allies in return for a portion of the agricultural staples that they grew. These so-called "Black Seminoles" also had a reputation as fierce fighters, and were equally determined to preserve their freedom.

THE SYMBOL: SEMINOLES

Florida State would play two games in 1947 before students demanded the school acquire a symbol. While details conflict, most believe the account of a poll of the student body is accurate. The Florida Flambeau reported that Seminoles had won by 110 votes over Statesmen. The rest of the top contenders (in order) were Rebels, Tarpons, Fighting Warriors and Crackers.

In the 1950s, a pair of students dressed in Native American costumes and joined the cheerleaders on the field which eventually evolved into the majestic symbol of Osceola and Renegade that FSU now enjoys. Today, the Seminole Tribe of Florida participates in many campus activities.

Florida State University is proud of its longstanding cooperative relationship with the Seminole Tribe. The Seminole people have suffered many hardships and injustices, but they have remained brave, dignified and proud. The Seminoles are unconquered. They symbolize what we hope will be the traits of all of our graduates, including our student-athletes.

The fighting ended in a stalemate in 1842, and an uneasy peace lasted for 14 years. In 1856, however, Seminole leader Billy Bowlegs and his followers were provoked by U.S. soldiers. They retaliated, and the ensuing series of skirmishes became known as the Third Seminole War (1856-58).

When U.S. troops once more withdrew — again with no treaty or victory — the Seminole Wars finally ended. All told, more than 3,000 Seminoles had been forcibly removed from Florida to the Western territories of Arkansas and Oklahoma. As few as 300 remained in Florida, and they took refuge within the dense swamps of the Everglades. However, their place in history was assured as the only American Indian tribe never to have signed a peace treaty with the U.S. government.

From the 1920s onward, as the development boom exploded in South Florida, the Seminoles lost more and more of their hunting lands to tourists and settlers. They became agricultural workers in the vegetable fields of South Florida, and also ran tourist attractions, wearing their colorful patchwork clothing, producing souvenirs and wrestling alligators.

On Aug. 21, 1957, the Seminole Tribe of Florida was established through a majority vote of Florida's Seminole Indians. This vote gave the Seminoles federal recognition as a self-governing tribe with a constitutional form of government. The Seminole Tribe of Florida now has almost 3,000 members living on five reservations across the peninsula at Hollywood, Big Cypress, Brighton, Immokalee and Tampa.

The Seminoles work hard to be economically independent. Tourism and gaming profits pay for infrastructure and schools on their reservations, while citrus groves, cattle agriculture, aircraft production, tobacco sales, land leases and aquaculture are other significant sources of revenue.

Having persevered through two centuries of adversity, the Seminole Indians of Florida have earned the right to call themselves "the unconquered people." Their indomitable spirit is one that Florida State University proudly seeks to emulate in all of its endeavors.
